# Fall Learn To Play

Directed by Danny Lorenz

## What will my child be doing and learning?

We follow the USA Hockey IP (Initiation Program) course track.

- We will also be using data from the Hockey Canada National Skills Standards and Testing Program. These programs stress the following items:

Fun, Skating Skills, Stick and Puck Handling, Basic Hockey Rules  
Physical Conditioning, Team Play, Player Safety, Sportsmanship, Progressive Development

## Who will be teaching my child?

The Beginner Hockey Program Instructors are experienced hockey coaches and parents who are committed to teaching the sport of Ice Hockey in a manner that is both fun and challenging. KVHA and USA Hockey require that all coaches and parents working with children in any capacity be registered with USA Hockey, and carry a current USA Hockey Coaches card.

## What about all the equipment?

KVHA offers an equipment rental program for the Learn-to-Play-Hockey Program. The rental cost is \$200.00 for the fall session, with a \$125.00 security deposit refundable upon return of the equipment. If you already have rental equipment from our regular season your extension rental is \$25.00. The program provides much of the equipment your player will need, but there are some items that you will need to purchase in addition.

### Rental items include

Helmet  
Elbow pads  
Gloves  
Shoulder Pads

Pants  
Shin guards  
Skates  
Hockey gear bag

### Gear that needs to be purchased

Mouth Guard  
Protective Cup  
Socks
