Spring Learn To Play

Directed by Danny Lorenz

What will my child be doing and learning?

We follow the USA Hockey IP (Initiation Program) course track.

- We will also be using data from the Hockey Canada National Skills Standards and Testing Program. These programs stress the following items:

Fun, Skating Skills, Stick and Puck Handling, Basic Hockey Rules
Physical Conditioning, Team Play, Player Safety, Sportsmanship, Progressive Development

Who will be teaching my child?

The Beginner Hockey Program Instructors are experienced hockey coaches and parents who are committed to teaching the sport of Ice Hockey in a manner that is both fun and challenging. KVHA and USA Hockey require that all coaches and parents working with children in any capacity be registered with USA Hockey, and carry a current USA Hockey Coaches card.

What about all the equipment?

KVHA offers an equipment rental program for the Learn-to-Play-Hockey Program. The rental cost is \$25.00 for the spring session, with a \$125.00 security deposit refundable upon return of the equipment. If you already have rental equipment from our regular season your extension rental is \$25.00. The program provides much of the equipment your player will need, but there are some items that you will need to purchase in addition.

Rental items include

Helmet
Elbow pads
Gloves
Shoulder Pads

Pants
Shin guards
Skates
Hockey gear bag

Gear that needs to be purchased

Mouth Guard
Protective Cup
Socks
Stick
