Greg Gicewicz – Head Coach PeeWee Tier-II

Greg Gicewicz is proud to be the head coach of the 2007/2008 Kent PeeWee Rep team. Gicewicz enters his 5th year coaching youth hockey and his first year in Kent. He is a USA Hockey certified "Level 4 Advanced" coach. Last season Gicewicz was head coach of the PNAHA Squirt Champion Sno-King Junior Thunderbirds 1997 team.

Gicewicz grew up playing ice hockey through midgets in Buffalo, New York. He went on to star for the Jr. "A" Tier II Buffalo Jr. Sabres now of the Ontario Provincial Junior "A" Hockey League. After being recruited by several top college teams for hockey and football he decided on Harvard University. Gicewicz played hockey for one year for the Crimson but decided to focus his energies on the gridiron where he captained the Crimson football team during his senior season and also earned All-Ivy, All ECAC, and team most valuable player honors.

Professionally Gicewicz is the owner of Sterile Surgical Systems, the Northwest's premier healthcare laundry and textile sterilization company. Prior to that Gicewicz worked for 13 years at Microsoft, most recently as a group program manager. He enjoys applying his computer knowledge in innovative ways to coaching ice hockey. Gicewicz believes in player development by putting players in fun but competitive and realistic situations. He is also an avid believer in frequent measuring of player development and performance. Gicewicz is an avid hockey ambassador in the Seattle area and is an owner of the Seattle Thunderbirds of the WHL.

Gicewicz is married to Dorothea Gicewicz and they have three children, Rebecca, Paul, and Caroline. Rebecca and Paul are budding hockey players on the Kent PeeWee team. Their newest addition Caroline is only one year old but she looks forward to starring for the 2016 Kent Squirt Rep team.

Greg is a USA Hockey certified "Level 4 Advanced" Coach. This is his first year with Kent Valley Hockey Association and his 5th year coaching youth hockey.
