

Kent Valley Hockey — Coffee Fundraiser!

Six dollars from each bag of coffee sold, and three dollars each from the candy, goes to this organization because we believe strongly in the notion that *one's work should also build one's community*.

Supporting our students does just that. And students who are willing to work for their education deserve all the help they can get! We're proud to team up with this organization.

Support the students further by **purchasing coffee ONLINE from their fundraiser page**. (You may choose to pick up your order from our facility in Astoria, or have it shipped):

COLUMBIA RIVER COFFEE ROASTER

testimonials:

"In the past, our hotel's in-room coffee never 'got drunk....' Now people are going through it like crazy. AND they're asking where they can get more of it." **Adrift Hotel, Long Beach WA**

"Best coffee I've ever served in a restaurant that I've owned or worked in, and I've been working in restaurants since 1971." **Peter Roscoe, owner, chef, Fulio's Pastaria**

"I tried your THUNDERMUCK! last weekend, bought it in Seaside. WOW - it's the coffee I've been looking for my whole life. Bravo!! Keep up the good work." **Now-regular mail order customer, Steve Beck**

is an independently owned company established in 1992 by 4th generation Norwegian Tim Hurd. Specializing in custom blends and roasts, our business is mainly wholesale, with the (very cool) **Three Cups Coffee House** in our new roasting facility, pictured here. We also do a healthy bit of mail order. We offer equipment and service to our wholesale accounts, and delivery of small-batch roasted coffees, roasted to order.

We carefully roast all coffees in a top of the line, American made, gas-fired roaster. Many of our blends are named after local landmarks to keep us mindful of the richness of our area.

We also believe strongly in the notion that one's work should build one's Community. To that end, our advertising generally goes out in the form of donations to local arts, schools and social services. This is one of our own fundraisers, where together with you and the organization, we all make change happen. You can check us out online on Facebook and at **www.THUNDERMUCK.com**. **Thanks for helping to change lives!**
