**Kent Valley Ice Centre, Kent, WA., Friday, March 10, 2017** - On February 11, 2017, the Board members of the Pacific District unanimously voted to adopt a concussion protocol, education and awareness program that will take effect in the 2017-2018 season. The program is based on the public school protocol (that now exists in all states within the Pacific District) regarding athlete safety when a concussion is suspected. The basic premise is that, when concussive activity is suspected, an athlete will be removed from play until he/she can be evaluated by a medical professional trained in the diagnosis and treatment of concussions, then cleared to safely return to participation.
