

KVHA News – Registration for Kent Valley’s 2018-2019 Season is Now Open!

Kent Valley Ice Centre, Kent, WA., Wednesday, May 2, 2018 – The Kent Valley Hockey Association Management Team announced the opening of registration today for the 2018-2019 hockey season. As usual, early registration has the benefit of up to 10% in lower fees. Waiting until August will result in higher registration rates.

Kent Valley will offer recreational teams at all levels 8U through 18U for 2018-2019 as well as Select travel teams at the 12U, 14U and 16U levels, for the 2018-2019 hockey season. Also, Kent Valley will offer an expanded Learn to Play (beginner) and MiniMites programs building on last season’s success at the beginner level.

Registration is now an On-Line Process:

Kent Valley Signs with SportsEngine for Web Services

Kent Valley Hockey Association (KVHA) has joined other local hockey associations and the Metropolitan Hockey League (MHL) in converting their web sites to the SportsEngine platform. Conversion from KVHA’s existing web site to the new web site will take place during May. The SportsEngine platform will provide KVHA with improved membership registration, management and communication.

About SportsEngine - The firm provides sport life management Web software and mobile applications for youth, amateur, and professional sports. Its platform features a suite of tools that help sports organizations to manage, connect, and communicate with a range of stakeholders, including athletes, parents, administrators, coaches, referees, scouts, volunteers, fans, journalists, and sponsors. The company offers its solutions for custom online registration for sports, build and manage sports Website, team management, and management tournament, as well as to manage seasons, stats, score, and others. Its customers include associations/clubs, leagues, tournaments, teams, and NGB serving hockey, soccer, basketball, baseball, football, wrestling, volleyball, and lacrosse sports. SportsEngine was formerly known as Sport Ngin, Inc. and changed its name to SportsEngine in July 2016. The company was founded in 2008 and is based in Minneapolis, Minnesota. As of July 1, 2016, SportsEngine operates as a subsidiary of NBC Sports, Inc.
