### **2011/2012 Registration Reminder**

KVHA Registrar, Rena Sullivan, wants to remind KVHA members to register now to avoid a June 1<sup>st</sup> rate increase. Sullivan reported having 29 registrations in hand as of Monday morning. *"This week is always a busy week as members register to beat the rate increase. I expect to busy, as usual,"* Sullivan said. Player Registration forms can be found under the KVHA Registration tab on the front page of **www.KentValleyHockey.com**. Registration is also open for Coaches, Assistant Coaches and Team Managers, forms for which can be found near the bottom of the KVHA Registration page.

KVHA Members will note a small fee increase over last year's rates. The rate increase is necessary to help us bridge the gap between revenues and expenses that have burdened the association in the past. Again, members can avoid another rate increases by registering prior to June 1, 2011.

### **Quote of the Day!**

#### **Celebrating with the Stanley Cup:**

*"The best memory I have from my time with the Cup actually came the night we won. Being the captain, they let me bring it home after the game. I will never forget getting home about five in the morning and putting it in my kids' bedroom. To see their reaction when they woke up next to the Stanley Cup was just priceless."*

See you at the rink!
