

Lorenz Names KVHA Rec Team Coaches for 2012/2013 Season

Kent Valley Ice Centre, Kent, WA. June 7, 2012 – Danny Lorenz, KVHA's Hockey Director, announced coaches for Kent Valley's recreation teams today. In naming coaches Lorenz expressed disappointment that last season's Mite Head Coach Rob Herring would not be returning to coach at Kent Valley for the 2012/2013 season. Lorenz said, *"Rob Herring and his family are returning to Edmonton, Alberta. We are sorry to see him go. Rob had a very successful year with the Mite Tornados last season."* Lorenz said the Mites would be coached by committee for the 2012/2013 season using the USA Hockey American Development Model. The American Development Model (ADM) provides age-appropriate guidelines and curriculum to hockey associations across America to help more kids play, love and excel in hockey.

Lorenz pointed out that additional assistant coaching assignments will be made as teams begin to form in late summer and rosters for our Tier-II teams and Team Seattle are completed following try-outs in August. *"For now, this completes the initial round of naming coaches for the 2012/2013 hockey season. We have an excellent lineup of coaches for next season and look forward to another exciting and successful season at Kent Valley;"* he said." Below are the Rec team coaches for 2012/2013:
