

KVHA News – Accelerated Training Day Camp 2017 Begins June 19th

Kent Valley Ice Centre, Kent, WA., Friday, June 9, 2017 - Kent Valley's Accelerated Training Day Camp 2017 begins June 19th and runs through August 18th. Monday, Wednesday and Friday you can drop your hockey player off at Kent Valley Ice Centre at 8:30am and return between 4:30 and 5:00pm for pickup.

The Day Camp is great for all ages: Mite to Midget. In 8 short weeks, this program offers as much or more practice time as a normal winter season!! It also provides a variety of activities that make it a summer of fun for all ages from Mite to Midget. New for 2017, an additional 1.5 hours of ice each week.

Today's athletes are more skilled than ever before. The Accelerated Training Day Camp Program provides the players with the ice time necessary to improve their hockey skills: 3 hours each day. Along with the on-ice drills, the off-ice program incorporates a series of dry land exercises: off-ice stickhandling to develop eye hand co-ordination to improve puck and passing skills and soccer to develop agility and conditioning. In addition, the day campers have time to just play and have fun around the facility playing air hockey, pool, mini-golf, tag, batting in the cages and playing street hockey. The 9-hour day camp has it all (for less than \$6.00/hour).

Assistant Coaches - There are several young adult assistant coaches (male and female) that are currently playing College Hockey, Junior Hockey, or that have just finished their youth hockey. They provide a very low student to instructor ratio and monitor the daily activities.

Accelerated Training Day Camp begins June 19th and runs through August 18th except for some holidays. [Click here](#) for full details and a registration form.
