Kent Valley Ice Centre, Kent, WA – KVHA News for 14 June, 2010 – Following are some KVHA news items of importance to members.

### ***Reminder about the Importance of Player Releases when Moving from one Association to Another***

Once again it is that time of the year when players consider moving from one hockey association to another. In spite of efforts to prevent or discourage it, some migration takes place every year within the greater Puget Sound area. This year is no exception. For KVHA it appears that we are fairly even on the number of players being transferred in and out.

KVHA reminds hockey families that a Player Release is required to transfer from one association to another. This is a Pacific Northwest Amateur Hockey Association (PNAHA) requirement. We encourage current, former and prospective members to read and be aware of the ***KVHA Philosophy Regarding Player and Coach Movement Between Local Associations***. ### ***2nd Annual DJ Baskin Memorial Hockey Tournament to Benefit "Cops for Cancer" and "Special Olympics"***

The first annual [DJ Baskin Memorial Hockey Tournament](#) was held from in June of 2009 at the Kent Valley Ice Centre. The four team tournament raised over \$4,000 that was split evenly between "Cops with Cancer" and the "Washington State Special Olympics." The tournament was made possible by the Kent Valley Ice Centre generously donating all of the ice time for the games. The volunteer referees, scorekeepers, and captains were also a huge part in making the tournament a success and maximizing donation to these two worthy charities.

Kent Valley Ice Centre is once again involved in this worthwhile fundraiser. The 2nd Annual DJ Baskin Memorial Hockey Tournament will held Friday July 30th, Saturday July 31st and Sunday August 1st at Kent Valley Ice Centre. The contact is David Mosbach [<mailto:mosssac@yahoo.com>]
