

KVHA News – Seattle Thunderbirds Always Keep an Eye Out for Possible Billet Families

Kent Valley Ice Centre, Kent, WA. Friday, July 8, 2016 –The Seattle Thunderbirds always are on the lookout for future billet families.

T-Bird players attend Kentwood High School during the school year. The team practices at ShoWare Center. The team keeps an eye out for billets in these neighborhoods.

Being a T-Birds billet means housing one to two T-Birds players during the hockey season. Billets are an important part of the teams' player support program. They provide a home away from home for players during the hockey season.
