

KVHA News – Welcome to Kent Valley Hockey’s 2015-2016 Hockey Season

Kent Valley Ice Centre, Kent, WA. Thursday, September 3, 2015 – The 2015-2016 hockey season will be Kent Valley Hockey Association’s 14th full season of competition. Our first full season was 2002-2003 when the Association put seven (7) teams on the ice; 2 Mite Rec, 1 Bantam Rec, 1 Midget Rec, 1 Squirt “B”, 1 PeeWee Tier-II and 1 Midget Tier-II. In the years since that first season over 875 players have registered and played for Kent Valley and over 170 men and women have served in a coaching capacity for the Association. Of the 2002-2003 coaches, none are coaching at Kent Valley today. However, two of the 2003-2004 coaches are still active with the Association, Chuck Cadiente and Bob Sellers.

Kent Valley Hockey Association welcomes everyone to our 14th season of operation. We appreciate your participation and look forward to another awesome season.

A Word About Ice Schedules and Practice Times

This is that annoying time of the year when the Ice Schedule changes every couple of hours as we make adjustments for the number of teams and their classification levels. It will most likely take a couple of weeks before we can confidently proclaim the team practice schedule is set for the season. In the mean time we ask that members double-check the Ice Schedule before you head off to the Ice Centre; something could have changed since the last time you looked.

We are doing our best to keep the Ice Schedules up-to-date, accurate and posted on the KVHA web. We appreciate your patience as we sort this out. We can look forward to a stable Ice Schedule in the next week or two.

Team Pages on the KVHA Web Site

KVHA Members may have noticed the lack of current information on the team pages of the www.KentValleyHockey.com web site. These pages will eventually provide valuable contact information about the team’s coaches and managers as well as other pertinent team information. The pages will be updated as soon as the teams are firmed up, management positions are known and the contact information is provided.

Coaches: You are the source of information that goes on your team’s web page. Please, at your earliest convenience, let lewsellers@kentvalleyhockey.com know what information you would like to have posted on your teams’ web pages.

TRAFFIC ALERT!!! - Lower Parking Lot Paving Project is Scheduled for September 10 and 11 – Detour Required for Access to and from Kent Valley Ice Centre

The lower parking lot at Kent Valley Ice Centre is scheduled for grading and repaving Thursday and Friday, September 10th and 11th. The main entrance to the Ice Centre will be blocked while this work takes place and the lower parking area will be closed. Members should use the east driveway (currently marked ‘Exit Only’) at the NE corner of the Ice Centre property as an ingress/egress point during those two days. The City will remove a portion of the yellow C-curb in the center of the street allowing east bound traffic temporary access and the ability to turn left into the east ‘exit-only’ access point.

Grading and paving work will commence at 7:00am Thursday morning with completion set for late Friday afternoon. Access to the lower parking lot will be blocked until the project is complete. Our upper parking lot could likely be packed Thursday evening. Members should allow extra time getting their players to the Ice Centre.

The photo below will give you a clear idea of the grading and paving project area (red shaded area) and where you can enter and exit from the parking lot (white arrows.) For all the inconveniences of this project it will be well worth it when it’s completed.
