

Goalie Stops 92 Shots in One Game, 320 in Five Tiering Games – PNAHA Record?

Kent Valley Ice Centre, Kent, WA. October 11, 2012 – While reviewing score sheets last week I came across an interesting statistic on a Kent Valley PeeWee Tier-II Selects score sheet from September 30th. Our Kent Valley Selects played the Vancouver PeeWee Tier-II Junior Vipers in that game. The interesting statistic was in the goalkeeping stats. Kent Valley outshot the Vancouver Jr. Vipers 56 to 12. The imbalance in shots on goal caught my eye. But, that's only part of the story. I later learned that the Vancouver Jr. Vipers goalie, Addison Phillips, had stopped 320 of 370 shots in five PNAHA tiering games over three days for an 85% average save rate. Phillips actually stopped 92 of 101 shots on goal for a remarkable save rate of 91% when his team played SnoKing on September 29th. In that game, the shots were 101 to 0 and the final score was 10 to 0 in SnoKing's favor. Yes; zero, nil, zip!

Later in the week, I got a call from one of the parents on the Vipers team. He was certain that the shots Phillips faced during the PNAHA tiering games were some kind of PNAHA record. The only youth hockey record book he could find in a search of PNAHA member associations was our Kent Valley Hockey Association record book. So, he phoned me and asked; "Do you know where I might find a PNAHA record book?" I explained that as far as I knew a PNAHA record book didn't exist. The parent explained how excited and inspired he was about young Addison Phillips performance, his positive attitude and the strong spirit of the entire Vancouver PeeWee Tier-II Junior Vipers in the face of adversity. Well, young Addison Phillips and Vancouver PeeWee Tier-II Jr. Vipers inspired me as well.

It's time for a PNAHA Record Book! I'm aware of the task of mining years of old score sheets for records. Who knows, they may not even exist. I sorted through six years of Kent Valley score sheets to establish our KVHA Record Book three years ago and it was a huge job. But, Kent Valley is a relatively new hockey association with only 9 years of history. I realize someone would have to agree to validate and maintain the PNAHA Record Book. Its lots of work, but the process should begin now...

I recommend we initiate the **PNAHA Record Book** by adding these first records:

Most Shots faced by a Goaltender in one PNAHA game: 102 – Addison Phillips

09/29/12 – Addison Phillips, Vancouver PeeWee Tier-II Jr. Vipers (0) vs. SnoKing PeeWee Tier-II (10). Phillips stopped 92 of 102 shots for a 90% save rate.

Most Shots faced by a Goaltender in consecutive PNAHA games: 5 PNAHA Tiering Games, 370 shots (74 shots per game) – Addison Phillips

09/28/12 thru 09/30/12 – Addison Phillips, Vancouver PeeWee Tier-II Jr. Vipers, faced 370 shots during five PNAHA tiering games against Seattle Jr., SnoKing, Everett, Kent Valley and Tacoma Jr.

How about it? Do you agree we need a PNAHA Record Book?

Addison Phillips, a goalie for the Vancouver Junior Vipers pee wee team (ages 11-12) stopped 92 of 102 shots he faced in a Sept. 29 game in Kirkland. The newly formed Junior Vipers lost 10-0 to the Sno-King Junior Thunderbirds.

"I didn't have a chance to think about it, I just had to react and stop the pucks during the game," Phillips said.

His family recently moved from Nashville, where he was a goalie for the Nashville Junior Predators PeeWee Tier-II (00). The Junior Predators finished the 2011/2012 season ranked 6th in the nation.

In five games over three days, Phillips stopped 320 of the 370 shots he faced. It was the first action for the newly-formed Junior Vipers team.

Kent Valley Ice Centre, Kent, WA. October 6, 2012 – The KVHA Squirt Tornadoes hosted the Sno-King White at Kent Valley Ice Centre on Saturday and simply overpowered the Whites, winning their first regular-season game at home by an impressive score of 8-0. The exciting season opener was full of outstanding plays, great perseverance and a whole bunch of “firsts”! Aside from it being our first team win, it was also a series of “firsts” for some of the Tornado players:

- Second-year-Squirt Cameron Steinocher (#19) had his first shutout!
- Second-year-Squirt Steven Rosenquist (#5) had his first hat trick of the season!
- First-year-Squirt Caleb Chaloner (#6) scored his first 2 goals of the season!
- First-year-Squirts Rickey Campbell (#12) and Quinton Gessner (#10) scored their first goals of the season!
- First-year-Squirt Jake Ferguson (#8) had his first 2 assists of the season!

Period 1 - As the first puck dropped, the anticipation of another great hockey season was almost palatable! The crisp air, the boundless energy and the fierce determination of a bunch of 9-year-old boys poised for greatness profiled what it means to be player on a hockey team! The Tornadoes took full advantage of home ice and didn’t waste any time to take the lead by scoring on a pair of unassisted goals from Steven Rosenquist (#5). With extraordinary defensive skills, they held this lead to end the first.

Period 2 - Caleb Chaloner (#6) opened the second period with a goal, getting the assist from Tyler Sherwood (#2) & Jeret Scott (#4). A few minutes later, Rickey Campbell (#12) added to the score with an unassisted goal. The Tornadoes quickly extended their lead with Steven Rosenquist (#5) scoring his first “Hat Trick” with an assist by Jake Ferguson (#8). The play-making moves continued with Steven Rosenquist (#5) scoring an unassisted goal to close out the period. Great offensive performance, Steven!

Period 3 - The Tornadoes continued the scoring into the final period when Quinton Gessner (#10) scored a short-handed goal during a missed power-play opportunity for the Whites. Jake Ferguson (#8) got the assist. The fervent battle for the puck continued as the Tornadoes showed their strong wills to succeed. With just seconds remaining in the final period, Caleb Chaloner (#6) scored on an assist from Nico Rogers (#1) to end the game.

Summary - Goalie Cameron Steinocher (#19) put on the armor and turned away several shots to earn the shutout. The Tornadoes defeated the Sno-King White by a final score of 8 to 0. The Sno-King White fired 8 shots on the Tornadoes goal while the Tornadoes put an impressive 20 shots on the Whites' net. Although it was more of a lopsided affair, Sno-King lost in the end but showed great spirit and tenaciousness for an exhilarating season opener! Congratulations to both teams on a very exciting and entertaining game! Next up, the Tornadoes will face the West Sound Red in Bremerton for an afternoon thriller on Saturday, October 13th. Good luck, Tornadoes!

PeeWee Hurricanes Shutout West Sound Warriors 7 to 0

Bremerton Ice Arena, Bremerton, WA. October 6, 2012 – Kent Valley's PeeWee Hurricanes invaded Bremerton Saturday with the force of a Category 5 hurricane. Kent Valley's domination of the game was not limited to the 7 to 0 score registered on the scoreboard at the end of the game. The score sheet shows that the Hurricanes outshot the Warriors 48 to 0.

Trevor Mertel scored the Hurricanes' first goal of the season at 5:17 of the first period. Mertel scored a second goal and assisted on two others for a total of 4 points. Lucas Majors scored a goal and earned an assist for 2 points. Alex Bolshakov scored 2 goals in the third period for 2 points. Gage Gessner and Zach Johnston each scored 1 goal. Mark Hanscom assisted Gessner's final goal of the game.

There was some discussion about whether or not Kent Valley's Ben Fredell earned a shutout for his efforts in goal. He didn't face any shots... Technically, a goalie has to turn away at least one shot to get credit for a shutout, otherwise it would be considered a "team" shutout. However, Fredell showed up, was prepared, played the whole game and nothing got past him. I say he earned a shutout. Way to go Ben!

Credit the West Sound Warriors' goalie, Josh Rasmussen, with an outstanding performance in net. Rasmussen stopped 41 of 48 shots on goal for a respectable save rate of 85%. The majority of the game was played on Rasmussen's door step and he stood up well to the pressure, particularly in the third period when his team skated 3 on 5 for almost two minutes. Way to go Mr. Rasmussen.

Below is the scoring summary for the game:

KVHA PeeWee Hurricanes (7) vs. West Sound Warriors (0)

Quote of the Day!

The True Meaning of Winning the Cup:

"I wish I could tell you what it meant to raise Stanley, but I can't. Back in my day when you won the championship, they would wheel the Cup out onto the ice and place it on a wooden table. We would then gather around it and listen to the league president say a few words, at which point he would present it to the team captain. He would then pick it up, smile for the cameras, and very gingerly set it back down on the table. A few of us then had our pictures taken as we stood behind the cup, but that was it. We were never allowed to hoist it above our heads and skate around the ice like they do today, no way. Times have certainly changed. In fact, the first time I even got to drink out of it was at Chris Chelios' golf tournament back in 2002. My son, Brett, and some of the guys knew that I had never been able to enjoy a cold one out of it so they filled it up with beer and held it for me as I got to take a big swig. My shoulders were so bad that they had to hold it up for me, but it was wonderful. Beer never tasted so good"

Bobby Hull, Stanley Cup winner with Chicago 1961
