

## **Kent Valley Recreation Teams Enter NPSHL League Competition**

**Kent Valley Ice Centre, Kent, WA – KVHA News for 13 October, 2010** – The season for Kent Valley’s Representative teams has been underway for three weekends as they competed in the PNAHA Tiering Tournament. In the mean time, the Recreation teams continued to practice and prepare for the season to begin. Their preparation ended this past weekend as the Rec teams got their first taste of NPSHL League competition. Kent Valley Rec teams won 4 of their 5 games to get the season off to a very nice start. The Squirt and Bantam Tornados each shutout their opponents in weekend competition.

How about our first-year hockey players; Kent Valley’s LTP graduates? As you will learn in the **“Squirt Tornados Win League Opener”** story, later in this edition, several first-year players turned in pretty impressive performances on Saturday. I talked with one of those new players, Jack Hanscom at Kent Valley Ice Centre on Tuesday afternoon. Hanscom scored two goals in his Squirt Tornados game Saturday and was pretty excited about the first game of his young hockey career. I asked him if he was surprised when he scored that first goal and he responded; *“No! Not really.”* He wasn’t boasting; he was just confident. I’m guessing he expects to score a few more before the season is over. Speaking of confidence; Hanscom was named team captain. Congratulations to all our new hockey players. Welcome to Kent Valley Hockey Association and the exciting sport of ice hockey.

- Check equipment bags before leaving home so we have all our gear when we arrive at the rink.
- Let me know of any rental equipment issues. We can do exchanges. Just not 5 minutes before going on ice :)

- Bring a water bottle with name bar attached to it so your player can drink water on-ice when thirsty.
- Skates should be sharpened once every couple months.

## ***Mite Tornadoes 15, Kitsap County Outlaws 3***

**Bremerton Ice Arena, Bremerton, WA 9 October, 2010** – The Kent Valley Mites won their game 15-3 on Sunday in Bremerton. Unfortunately, the score sheet is such a total mess; they might as well have not kept one. So, rather than try to create a game report from the unreadable and incorrect score sheet we'll give you the report from the visiting team's perspective.

The Kent Valley Tornadoes played well from the start scoring their first goal of the game in the opening minute of the first period. The Tornadoes added four more goals in the first period to end the period with a 5 to 0 lead. The Tornadoes fired 14 shots on goal in the first period with Kitsap getting 2 shots on the Tornadoes goaltender Chase Pagan.

The Outlaws scored the first goal of the second period, their only shot on goal during that period. The Tornadoes added 3 more goals to make it 8 to 1 at the end of the second. Kent Valley had 7 shots on goal during the period. The games only penalty was assessed to the Outlaws during the second period.

Kitsap County's Outlaws scored 2 more goals in the third period while the Tornadoes went on a scoring spree adding 7 more goals for a final score of 15 to 3. The Tornadoes had 17 shots on goal in the third period for a total of 38 shots for the game.

To sum it up, Trevor Mertel scored the first and second Hat Tricks of his young hockey career for 6 points, Andrew Alonzo scored a Hat Trick plus one for 4 points, Zach Johnston scored 2 goals, Gage Gessner scored 2 goals, and Jackson Grande scored 1 goal. There were numerous assists to go along with those 15 goals but only a couple were noted on the score sheet, and those appeared to be incorrect.

Our apologies to those players, both home and away, who were not acknowledged on the score sheet for their contributing efforts (goals and assists.) We would have noted the goal scorers for the Outlaws, but we could not rely upon the accuracy of the numbers on the score sheet. Hopefully, score sheets will be more complete and accurate in future games.

Congratulations to the Tornadoes on their first NPSHL win of the season. Go Tornadoes!

## ***Squirt Tornadoes Win League Opener***

***Story by J.R. Jenkins***

**Kent Valley Ice Centre, Kent, WA 9 October, 2010** – The Kent Valley Squirt Tornadoes opened the 2010-2011 NPSHL season with an impressive victory over the visiting PCMH Spitfires, 9-0. It was a story of "twos" on the score sheet as four players netted two, and two players earned two assists. Danny Smith led all scorers with, of course, 2 goals and 2 assists.

While a young team in terms of experience, the Tornadoes' "first year ever players" showed veteran savvy and grit as Dylan Herzog, Jack Hanscom, Joey Geisendorfer, and Nate Dunn all earned their first points in organized hockey – with Dylan, Jack and Joey adding another point for a pair in their first game. And while the Tornadoes play was a bit messy – first game jitters and early season slips – the team showed great energy and several new players demonstrated they have a true "nose" for the puck!

The game started slowly as both teams cautiously probed and struggled to both win and hold possession, but at the seven minute mark Dylan Herzog scored a second effort goal which saw his entire line contribute to the score sheet and put the Tornadoes ahead to stay. Danny Smith, coming off an impressive Mite campaign last year, netted his first of the year at 11:35. And with time running out in the first Blake Britten found the net – with helpers from Dunn and Jesper Miquel – to give the Tornadoes a solid 3-0 lead at the first intermission.

If there was any doubt about the outcome of this, the Tornadoes erased it with two goals in the first minute of the second period with Danny scoring his second, and Ben McQuage scoring at the 1:10 mark. Ben, a silky smooth skating defenseman, scored another as the period ended for a 2 marker game. But the sweetest goal of the period came at the 7:40

mark with a beautiful set-up from Joey G. to Jack Hanscom who pounded home the shot past a sprawling Spitfire goaltender.

The third period saw Jack Hanscom net his second of the game to finish the scoring on an assist from Oliver Carlson.

The Spitfires played hard and clean and credit should be given to Spitfire goaltender Isaiah Barber who faced 21 shots and made some very good saves. Brett Jenkins back-stopped the Tornados, stopping all 5 shots he faced to earn his first shutout of the year. The Tornados travel to Lynnwood next Sunday, October 17th to take on the Seattle Jr. Badgers.

Here's the scoring summary:

SnoKing's goalie Jack Ryan went home with a shutout stopping all 11 of the Tornados shots. Kent Valley had the only penalties in the game, a check-from-behind minor penalty with an automatic 10 minute misconduct penalty with 38 seconds remaining in the final period. SnoKing won the game 4 to 0.

## ***Bantam Tornados Wind Whips Kitsap County Outlaws***

**Bremerton Ice Arena, Bremerton, WA 10 October, 2010** – The Tornados got off to a slow start Sunday as they churned up F1 category winds and gained momentum. They skated even with the Outlaws through the first period without scoring a goal. However, the Tornados outshot the Outlaws 8 to 4 in that opening period. In the second period the Tornados' wind began to blow at the F3 category as they cranked up the momentum and outshot the Outlaws 12 to 3. Joonas Miquel scored the Tornados first goal of the game with 2:52 remaining in the period. Miquel was assisted by Luke Blair.

The Tornados' wind reached F5 force in the third period as the Tornados outshot the Outlaws 16 to 1 and scored four unanswered goals. Mason Conner scored at 12:23 with an assist from Tyler Hunt. Luke Blair scored at 4:14 with an assist from an unidentified teammate, (the score sheet shows #16) maybe it was Colin Bartlett #14. Tyler Hunt scored the Tornados fourth goal with 1:35 remaining to play. Hunt was assisted by Jordan

Wachter. Blair got the final goal of the game with less than a minute remaining with assists from Mason Conner and Kyle Pirtila.

Total shots on goal during the entire storm were Kent Valley 36 to Kitsap County's 8 shots. Ben Cary earned a shutout, a perfect game as he turned away all 8 shots by the Outlaws.

## ***Tough Weekend for Kent Valley Bantam Tier-II Selects***

**Story by David Cinderella**

**Boise, ID, 10 October 2010** - The Kent Valley Bantam Selects traveled to Boise for the first test of the season at the Fall Faceoff Ice Breaker Tournament. This year's team features a young squad bolstered by 4 second year Bantam players. Coming off a successful first round tiering weekend, the Selects were eager to compete with other Northwest Bantam Teams.

The weekend brought games vs. the Salt Lake City Grizzlies, Salt Lake City Regulators, and the host Idaho Jr. Steelheads. The team started off strong in each game, but only managed 1 win vs. the SLC Regulators and finished the tournament in 3rd place.

The games were a real workout for Selects goalies Aaron Mathews and Austin Phelps. The goalie tandem faced over 240 shots from the competition with a combined save percentage of just over the .870% mark.

The offense was led by Max Doner with 3 goals and 3 assists. Patrick Dunphy had a pair of goals, with Brendan Miller, Mason Stewart, and Jarid Rivers adding goals as well.

The Selects look to rebound this weekend when they open PNAHA league play vs. the SJHA NW Admirals.
