

KVHA News for November 15th & 16th

Kent, WA 18 November, 2008 – It was a great week for hockey, but then almost every week is a great week for hockey. We received an update on our friend Rob Kaufman, Puget Sound Amateur Hockey, who suffered a heart attack 2 weeks ago. We're happy to report that Rob is on the mend. Below is a note we received earlier this week from Rob's wife, Donna Kaufman:

To our hockey family,

It has been 2 weeks and Rob has been pretty good at resting. We went to the cardiologist today and this is a progress report.

At this point the flow in his heart is good. He needs to have some tests on his carotid artery and a nuclear treadmill test in mid December. He can begin slowly resuming activity as long as he continues to monitor his mental, emotional and physical stress. He will be working on lowering his cholesterol levels through diet and medication. Because he is in pretty good health already, his lifestyle changes will be minor. Most of his issues results in family history and genetics.

Rob has been humbled and deeply touched by all of the thoughts and prayers and well wishes. The hockey family has been extremely supportive. On behalf of Rob and our entire family, we feel blessed to be part of a great extended family.

Sincerely,

***The Kaufmans,

Schedule Updates: Be sure you check the website for schedule updates for Thanksgiving weekend. Numerous changes have been made to that schedule since it was posted some time ago. Several teams have found holiday tournaments and have abandoned previously assigned practice ice. If you're in town Thanksgiving weekend your team might have some practice ice. Please give the schedule a look.

Player Trade: There was a trade between two of our teams this past week; Jeremy Clark traded teams with Julius Bush. Clark moved from the Midget Tornadoes to the Midget Tier-II team and Bush went the other way to play for the Tornadoes. Bush has his eye on a 4.0 GPA in preparation for college. The intensity of Tier-II travel was not allowing Bush enough time for the homework and study that he felt was necessary to achieve his personal goal of a 4.0 GPA. Julius loves playing hockey. So, rather than give up hockey he chose to move to the recreation team with a less intensive agenda which will allow him more time for studying.

We admire Julius Bush for his dedication to schoolwork and his personal goal of a 4.0 GPA. "Good on ya;" Mr. Bush! Pursuing a 4.0 GPA is an excellent goal. We wish you success in achieving your objective.

KVHA Auction: Auction items are beginning to come in. We received our first bottle of wine for the "KVHA Instant Wine Cellar" last week. It is a bottle of Anthony's Restaurants, 2002, Merlot-Cabernet Sauvignon, donated by the Briggs family of Napavine, Washington. The next time you're in the wine aisle at the grocery store pick out a bottle for donation to the auction. Remember, its tax deductible. We've also received an autographed Canuck's jersey, signed by the team, from the MacFarlane's of Spokane (U-18 family).

KVHA Association Photo Sale: Remember the gathering of all our KVHA team's coaches and players for an Association Photo on KVHA Photo Night? I remember it taking about 20 minutes just to get everybody in position for the photo. Well, the photos are in. They are historic! It is the first time we've done an association-wide photo and the outcome

is an awesome and memorable photo. The next time you visit Kent Valley Ice Centre check out the photos in the window of the KVIC office upstairs. There are four sizes, ranging in price from \$25 to \$50. Check them out. You'll be impressed.

KVHA Jackets on Sale: Hanging in the KVIC office window next to those great Association Group Photos is a black jacket with KVHA logos on the front. This nice warm jacket would make a great Christmas gift for a hockey mom or dad. It is a Stormtech Jacket with removable fleece inside. The cost is \$108 with the logo, plus tax. Orders must be placed by December 1st in order to be received before Christmas. Orders can be placed with Rena Sullivan with checks payable to KVHA.

Mite Tornadoes (8) Seattle Jr. Admirals (1) Ken Gill Scores Five in Tornadoes Victory

Lynnwood, WA 15 November, 2008 – Most hockey players would be happy with scoring just one goal sometime before they become a Bantam. But, five goals in one game as a Mite? The Tornadoes Kenneth Gill did just that on Saturday.

The Tornadoes took advantage of an Admiral's penalty early in the first period as Kenneth Gill scored his first of five goals. Connor Smith set up teammate Danny Smith for the Tornadoes second goal. The Tornadoes held a two point advantage until 11:51 of the second when the Admirals scored their one and only goal of the contest. Zach Johnson scored the Tornadoes third goal and only goal of the second period. Gill scored three in a row in the third period. JT Rimorin scored the Tornadoes' seventh goal at 3:43 of the third followed by Gill's fifth point and the Tornadoes' eighth goal of the game and a final score of 8 to 1.

Tornadoes Not Welcomed in the SJHA Eagles' Nest SJHA Eagles 9 – KVHA Tornadoes 3

Story by Kristine Langmack

Lynnwood, WA 16 November, 2008 - The families of the Squirt Tornadoes traveled thru pea soup fog up I-5 to the Lynnwood Ice Arena to take on the SJHA Eagles.

Period 1 started with a goal scored by Chase Dosa @ 6:11. He was assisted by Camden Ward. I have to comment on Chase Dosa's face off skills. I've watched Chase's game for a few years now and it's great to see the physicality he brings to the face-off circle. He has no problem moving the player off the puck to get that puck to his teammates. Keep up the good work Chase!

Period 2 the Tornadoes scored two goals. Nolan Schaper played a great game and was rewarded with an unassisted goal @ 13:30. Jon Langmack scored a top shelf beauty @ 11:12 assisted by Camden Ward. I think the most exciting part of period 2 was watching one of our girl players – Brianna Baker and her break away. She took control of the puck in our zone and skated the full length of the ice in possession of that puck. The crowd was going wild, cheering her on. It wasn't until she reached her opponent's zone that their defensemen finally caught up with her to knock her off the puck. It was a great moment to watch. Way to hustle Bri!

Period 3 Kent didn't see any goals but a shout out to Wyatt King our goaltender is in order. Wyatt was getting drilled in net. We calculated 30 shots on goal during the game. He did an awesome job! We all know he's been training hard and he's got some serious moves! How does he do those splits? OUCH! Watch out for Wyatt in the future. He will be a force to be reckoned with in the net!

Here's the game summary:

Squirt Selects Fall to Seattle Jr. Admiral Red

Kent, WA 15 November, 2008 – The visiting Seattle Jr. Admiral Reds turned Kent Valley Ice Centre into a shooting gallery during the first two periods of Saturday's game scoring five unanswered goals against the Kent Valley Squirt Selects. Coach Adam Speer indicated the score was not representative of the Select's effort. He complemented his team for their strong effort particularly in the third period when they held the Reds scoreless. Speer

pointed out that the Reds only got two shots on goal during the third period after taking 8 in the first and 11 in the second. "We're improving with every game and that's what counts." Speer said. Next up for the Kent Valley Squirt Selects is Saturday and Sunday NPSHL games against the Puget Sound Tomahawks Puget Sound Hockey Center.

The scoring summary is below:

Team	Period	Time	Scoring
Seattle Jr.	1	7:30	B Studioso from W Donald & B Rody (Power Play)
Seattle Jr.	1	2:43	B Studioso from W Donald & B Rody
Seattle Jr.	2	7:26	S Meyers from A Clark & AJ Yee
Seattle Jr.	2	5:26	W Donald from B Rody & E Corson
Seattle Jr.	2	2:38	M Houston from B Mistler & P Norman

Kent Valley's Cam Hansen stopped 16 of 21 shots on goal for 76% save rate.
 Seattle Jr's E Garber stopped 9 of 9 shots on goal for 100% and the shutout.
 Each team had two penalties. Seattle Jr. converted 1 of 2 power play opporuntiites.

Hurricanes Take 2 in Weekend NPSHL Play Against SKAHA and WWFHA

Story by Mark Mathews

Kirkland, WA 16 November, 2008 – The Kent Valley Hurricanes were plenty busy this weekend, playing two away games in Kingsgate, and securing two wins!!

Our first game was against the Jr. T-Birds. The game was a fast paced, defensive game. The only goal of the game came at 14:00 of the second period, an even strength goal scored by "Blazin" Mason Conner. Fast and unassisted, he skated like a madman around two defenders and put a solid shot past goalie Carson Graham. The Hurricanes took four penalties for 10 minutes, but our defense was rock solid in killing off the SKAHA power play. Goalie Aaron Mathews played with his new RBK composite goalie stick, signed by Seattle Thunderbirds goalie Calvin Pickard. Some Pickard mojo must have rubbed off on the stick, as Aaron turned away all 12 shots on goal for his first shutout of the season.

Hockey is a team game, and the sport has its hard working players known as "plumbers". I would like to mention the plumbers in this game. Jacob Ray, with his ability at defense to keep the puck in the opponent's zone, keeps us onside constantly. Kyle Pirttila, known as "Big", is always on the boards grinding away at the opposing puck carrier. Also, Jordan Wachter, always giving his best, made some important clearing passes in our zone when the pressure was on our net.

Final score: Hurricanes-1, SKAHA Jr. T-Birds-0
 Shots on goal: Hurricanes-9, SKAHA-12
 Penalties: Hurricanes-4 for 10 minutes, SKAHA-1 for 2 minutes

Our second game came Sunday, against the WWFHA Phoenix. This is a team made up of primarily Bantam aged and sized girls. Some play on boys teams as well, so some anxiety was being felt in the Hurricanes locker room. We were told we could not check in this game, so an element of our style was taken away. The coaches instructed the boys to concentrate on the drills we practiced, and to execute the drills during the game.

The first period came and went, with no scoring and no penalties. The second period, however was more exciting. At 9:50, a low, fast, shot got past a screened Hurricanes goaltender to put the Phoenix up 1-0. The goal was awarded to #27, Emma Bronson, unassisted. A couple of minutes later, a hard hit was put on Hurricanes player Daniel Gill directly behind the Phoenix net. The Phoenix player and Daniel fell into the backside of the net, pushing it into the back of Phoenix goaltender Jamie Stewart, hitting her in the back of the head. Jamie went down hard, and had to be escorted off the ice. With no back up goalie dressed, play resumed with a sixth Phoenix skater guarding the net. Our boys went on the attack and at 5:07, Hayden Milne sent a shot past the defending sixth player for his

first goal of the season. Hayden was assisted by "Big" Kyle Pirttila and "Blazin" Mason Conner. Other scoring opportunities presented themselves during this period. Jacob Ray fired a shot that hit the goalpost. Jordan Wachter, on the net's weakside, missed a one-timer that would have gone in for sure. Even though we didn't score on these plays, the opportunities arose, the boys saw them, and took advantage. Towards the end of the period, the Phoenix had dressed another goalie and they were back in business at net.

The third period saw Matthew "Young Gun" Saunders notch another goal at 10:04, assisted off a beautiful pass from Daniel Gill. This goal was the nicest, textbook goal I have seen yet from these two. A Phoenix penalty at 5:24 put us on the power play, but back-up goalie Danielle Norgren-Markley performed well and kept it a 2-1 game.

This game really challenged our team. These girls are a very good squad, and are close to winning their first game. They are big, strong, fast, and don't give up too many scoring opportunities. Our thoughts are with Jamie Stewart, who left the game with a concussion. Get well soon Jamie, you played a great game!!!

Final score: Hurricanes-2, WWFHA Phoenix-1
Shots on goal: Hurricanes-14, Phoenix-6
Penalties: Hurricanes-0, Phoenix-1 for 2 minutes

Everett Grizzlies (10) PeeWee Tornadoes (2)

Everett, WA October 11, 2008 – The Tornadoes are getting tired of bears. They've been mauled by the Kodiaks and clawed by the Grizzlies. I understand one of the Tornadoes' parents has contacted the game department for a couple of bear tags... Another parent is offering a bounty...

The Tornadoes did get some shots on goal and a couple of them made it past the Grizzlies Lake Rabel. AJ Alonzo scored an unassisted goal at 11:55 of the second period. Luke Blair scored at 7:17 of the third period on an assist from Noah Persson.

Everett had four penalties for 18 minutes while the Tornadoes had 3 penalties for 15 minutes. Nick Calfy was in goal for the Tornadoes. Lake Rabel was in goal for the Grizzlies.

PeeWee Tier-II Selects Dominate SnoKing Jr. Thunderbirds in Two at Kent Valley Ice Centre

Kent, WA 16 November, 2008 – They are a fun team to watch as they confound their opponents with strong defense, uncanny passing and excellent puck control. They can spoil an opponent's breakaway with a timely poke check or body check, and they do it often. They see the ice and frequently find a teammate breaking for the net for another shot-on-goal. They often outshoot their opponents 5 or 6 to 1. About the only thing you can criticize this team for is that they like to keep the game close until the second period. It's seems like it takes them one full period to size up the opposition before they decide they can beat them. Once they've concluded they can win they shoot up their opponent's goal like duck hunters shooting ducks at Smith Brother's pond.

Saturday's first period was one of those starts for the Kent Valley PeeWee Selects where you wonder if anyone will ever score. The Kent Valley shots were growing but nothing was going in the net. At least 12 minutes of the first period were played in the SnoKing end of the ice. With 2:30 remaining the Selects applied pressure on the SnoKing goal. The SnoKing goalie turned away an initial shot but lost the grip on his stick. His stick slid across the ice in front of the goal. There was a scramble of Kent Valley forwards trying to poke the puck past the defenseless goalie. Three SnoKing defenders were frantically trying to ice the puck so their goalie could recover his stick. SnoKing was successful in getting the puck out of the zone and managed a rare 2-on-1 breakaway down the ice to face Kent Valley's Austin Phelps in goal at the other end. Phelps stood up and faced the SnoKing threat as he gloved the shot face-on in front of the net. In the closing seconds of the period a similar rush occurred on the SnoKing goal and resulted in a great save by the SnoKing goalie.

Scoring began with 9:53 remaining in the second period. Kent Valley's Lydia Grauer at left defense saw an opening and skated forward toward the faceoff circle tapping her stick frantically for a teammate to pass the puck her way. Anton Nikitin heard the call, took a pass from Jesse Howland and passed the puck out to Grauer who fired a waist-high bullet past the SnoKing goalie for the first goal of the contest. Over the next nine minutes the Selects scored three more goals to end the period at 4 to zip. Jason Smith scored his first of three goals at 6:54 with assists from Alec Johnson & Jack Speer. Max Doner added a goal at 11:48 with assists from Zach Houck and Jordan Tindall. Houck took a Tindall pass and skated toward the SnoKing net looking for a shot or an open teammate. Seeing no opportunity for either Houck skated around behind the goal and fired at the net from the left side. The SnoKing goalie deflected the puck toward Doner who tapped it in for the score. Kent Valley's Brendan Miller took advantage of a SnoKing line change at 8:44 and created some excitement as he skated alone into the SnoKing zone for a shot on goal but the SnoKing goalie made a terrific save. Jason Smith scored his second goal at 14:02 with assists from Jack Speer and Alec Johnson.

After getting no shots on goal in the second period SnoKing doubled their first period shot count by getting four shots on the Kent Valley goal in the third. Kent Valley seemed less intense in the third getting only nine shots on the SnoKing goal. One of Kent Valley's nine shots came at 8:43 when Jason Smith completed his Hat Trick with help from Alec Johnson and Brendan Miller. Smith may have had help from the SnoKing goalie on that goal. It appeared the puck deflected off the goalie's skate as he slid to one side trying to block the shot. Smith's goal was a power play goal giving the selects a 50% conversion on power plays for the game.

In Sunday's game the Selects again held off until the second period to begin their scoring spree. Zach Houck initiated the scoring at 3:16 of the second period. Jordan Tindall fed the puck to Houck as the goalie committed to his left and Houck tapped it past the goalie on the right side. SnoKing tied it up at 7:58 of the period when Desharnais scored with an assist from Stratford. Danny Thomas scored two goals in a row at 12:25 and 13:40. On the first goal, Thomas took a pass from Brendan Miller and skated down the far side looking all the time for an opportunity to pass the puck to teammate Anton Nikitin coming in on the near side. Nikitin couldn't get open so Thomas skated in and fired the Selects' second goal. Thomas scored a shorthanded goal a minute and 15 seconds later with help from Lydia Grauer.

In the opening minutes of the third period Jason Smith passed the puck to Patrick Dunphy who lofted a soft shot over the outstretched glove of the SnoKing goalie for the score. Jack Speer scored at 6:07 with assists from Chad Haywood & Zach Houck. Speer skated in on the goal and fired a low 5-hole shot for the score. The Selects' final goal of the game came as Anton Nikitin passed the puck out to Patrick Dunphy at the point. Dunphy fired a high shot from the point that rebounded off the goalie to Jesse Howland and Howland tapped in the rebound for goal number six.

Late in the third period Jack Speer and Jason Smith passed the puck back and forth several times in front of the SnoKing net with great expectations but nothing ever came of their effort. It was none the less worth watching. Danny Thomas checked a much larger McIlquham into the boards freeing up the puck for a teammate. McIlquham had been annoying the Tornados throughout the game. McIlquham went on a head hunting mission following the Thomas check until he met up with Hunter "Gumby" Nickell who threw a solid clean check on the big SnoKing player to the point that it took McIlquham several minutes to get up off the ice.

Cudos to SnoKing's goalie S Campbell. He played well in goal and made some really incredible saves. He faced 36 shots on Saturday and 31 shots on Sunday, a lot of pressure for any goalie. SnoKing's Captain L Stratford also deserves credit for his strong play on both days. Stratford set up SnoKing's only goal on Sunday and skated well in both games.

Tornadoes face Hot Goalie

Story by Mary MacDonald

Kent, WA 16 November, 2008 – The visiting SnoKing Grey team brought a force field and a hot goalie with them Sunday afternoon to the Kent arena. The Tornadoes were up against goal posts and a goalie that would deny all 22 shots that he faced. The tornadoes would lose the game 3-0 but not because of a lack of good effort. The Tornadoes just couldn't buy a goal. It seemed that the goalie also had a force field around him, 4 shots that would hit the goal post, 2 missed open sides and just remarkable play by the SnoKing goalie, ensured that the Tornadoes would not find the back of the net. The kid's next game is in Lynnwood on Saturday evening at 6:05pm against the SJHA Blades.

The Kudo awards went to:

- MVP – Dane Shaver
- Dish Award – Brady Anderson
- Santa Claus – Wyatt Duncan
- Best Defense – Paul Gicewicz
- Hardest Worker – Rebecca Gicewicz

Bantam Tier-II Selects Win 3 in 2 Days

Kent, WA October 11, 2008 – The Kent Valley Bantam Tier-II Selects spent the weekend on the freeway travelling to Tacoma for their first game of the weekend on Saturday at Tacoma then up I-5 and I-405 for their second game at Kingsgate Arena in Kirkland and back to Tacoma Sunday morning for their third game in two days. But, with fuel hovering around \$2 a gallon and winning all three games, it was worth the expense.

When they weren't on the freeway, the Selects spent much of their weekend in the penalty box. They must have a strong penalty kill because they managed to win all three games in spite of skating one player short for over 15 minutes in game 1, 15 minutes in game 2 and

6 minutes in game 3. Of course, the opposition had their fair share of penalties. In fact, over the three games, the Selects' opponents had 97 penalty minutes to the Selects' 71 minutes.

Two Weekend Wins for Midget Tornadoes

Story by Sheri Walsh

Kent, WA 16 November, 2008 – Kent Valley's Midget Tornadoes won in both league and exhibition play this weekend. The Tornadoes beating the Everett Grizzlies 4-1 in Everett on Saturday, while skating past Sno-King Green 3-2 in exhibition play at Kent on Sunday.

On Saturday, both Kent and Everett racked up the penalties, but it was the Tornadoes that managed to take advantage of the powerplays. While the first period was scoreless, the end of the second period was full of action. Four minutes before the first buzzer, Taylor Birkeland scored an amazing goal taking the puck from the blue line around three Everett players to put the Tornadoes on the board. Just one minute later, Paul Pinkoske took advantage of a delayed penalty on Everett and made a great shot on a loose puck as an

extra attacker. But, Everett scored one of their own just a minute later taking the score to 2-1 at the end of the second. The Tornadoes kept Everett from scoring in the third while they put away two more. Brandon Ly put one in top-shelf off of a great pass from Tommy Peebles, and Zach Bloss knocked one in just minutes before the end of the game. Final score: Kent 4 - Everett 1.

Team	Period	Time	Scoring
KVHA	2	4:20	Taylor Birkeland, unassisted
KVHA	2	3:25	Paul Pinkoske, unassisted
EYH	2	2:35	Petry, unassisted
KVHA	3	10:04	Brandon Ly from Tommy Peebles
KVHA	3	3:56	Zach Bloss, unassisted

On Sunday, Sno-King Green was at the Kent Valley Ice Centre for an exhibition game. The Tornadoes were first on the scoreboard shortly before the first buzzer. Brandon Ly scored a beautiful goal after skating down the ice around several SnoKing players. Tanner Coughlin and Kevin Yang got the assists. While the second period was scoreless, SnoKing tied things up early in the third. Taylor Birkeland scored the go-ahead goal halfway through the final period off of a rebound from Brandon Ly. One minute later, it was 3-1 thanks to a goal by Tanner Coughlin set-up by Brandon Ly and Zach Bloss. With just two minutes left in the game, Sno-King pulled their goalie. With the Tornadoes short a player due to a high sticking penalty, the 6-on-4 proved to be too much as Sno-King scored with just :35 seconds left in the game. But, the Tornadoes managed to keep the Green from making it a tie as the clock wound down. Final score: 3-2. The two teams meet again next week in league play.

Team	Period	Time	Scoring
KVHA	1	2:45	Brandon Ly from Tanner Coughlin & Kevin Yang
SKHA	3	11:05	McGoff from Minahan-Gastel
KVHA	3	7:53	Taylor Birkeland from Brandon Ly
