## ***Kent Valley Mites Travel to Portland for Nine Exciting Games in Harvest Cup Tournament***

***Story contributed by Jeff Bingaman, Associate coach KVHA Mites***

**Veteran's Memorial Coliseum, Portland, Oregon - November 23-24, 2012** – The Harvest Cup tournament was a fun and exciting event for the KVHA Mite Lightning team members that were able to make the trip. The host Portland crew was friendly, helpful and professional. It was a well-run show.

A number of the players attended the Winterhawks' game prior to their first round of three cross-ice games (they played a total of nine games over two days) getting a view of the arena they would get to play on. Once games began the action was fast-paced and furious throughout the tournament. A number of fantastic offensive plays, goals and some amazing defensive plays were witnessed by all in attendance. Although no official scores or statistics were recorded, coaching notes document several multi-hat trick scorers (throughout the tournament)

Connor Kirby, Ryan Severson and Zachary Mertel were the three shooters in this category. Vince Terry recorded his first ever goal as did Derrick Means and Easton Wagner. These accomplishments would never have been possible if not for the outstanding efforts of their respective line mates (strong work Seth Bingaman and Ripken Renner). Without the hard work in the corners, up the boards while working against some BIG (how can that kid be U8?) bodies on the open ice to free up pucks and plain old hustle we wouldn't have scored nearly as much as we did (my unofficial record shows the lightning with 48 goals and opponents with 35 against).

Perhaps the biggest kudos (MVP?) goes to our tournament goalie- Mathew Blackmon. For a boy who is normally a skater he is a great net-minder with the heart of a lion- a real competitor! Despite a number of bad bounces- and simply fantastic shots- resulting in goals, Mathew stayed with it and fairly stood on his head! Outstanding efforts were given by all players and they all had fun! In fact my records show that everyone scored at least one goal! The only downside was that the coach (this author) didn't notice we had a 5-on-4 situation in a 4-on-4 format- twice! The competition was stiff but the boys held it together for a better than 50% tournament (5 of 9) record.

## ***Squirt Tornadoes Show Heart and Team Spirit in SnoKing Thanksgiving Classic***

***Story Contributed by Ellen Shelden***

**Kingsgate Ice Arena, Kirkland, WA. November 24, 2012** – Kent Valley's Squirt Tornadoes participated in the 2012 SnoKing Squirt/Atom Recreational Thanksgiving Classic November 23, 24 7 25. Following is a summary of each of their four games.

### **Tournament Game #1: KVHA Tornadoes (2) vs. Everett Kodiaks (3)**

Coach Jeff Ferguson took his KVHA Tornadoes team to Castle Ice Arena Friday, November 23rd, for their first tournament game of the season to face-off against the Everett Kodiaks. Ferguson and his team sadly came away with their first loss of the holiday weekend tournament after a persistent attack by the Everett Kodiaks. Even with the loss, it is evident that the weekly practices continue to help the Tornadoes improve their defensive skills and positional play.

**Period 1** - The 1st period was highlighted with a zealous battle for possession. Throughout the period, it was evident that the players were working well together getting into position and vying for the puck. The Tornados took the lead early with their first goal scored by Caleb Chaloner(#6), assisted by Sean Smith(#14). Only a few minutes later, the Tornados would score their second goal by Steven Rosenquist(#5) with an assist given by #15 Maxwell Mudge. Unfortunately, the Kodiaks would manage to score with only minutes left in the first period, decreasing the Tornados lead to just one goal.

**Period 2** - In the 2nd period, both teams had a difficult time fighting for possession of the puck. The Tornado players showed great progressive growth with their strong defensive skills and puck handling. However, the Kodiaks caught a break and scored a goal on a breakaway shot.

**Period 3** - The passionate battle for possession came to a culminating end in the 3rd period. While the Tornados tried to collect themselves, they just couldn't muster enough of a rally against the tough Everett Kodiaks team to regain the lead. Consequently, the Kodiaks caught one last break in the late minutes of the period and sadly came out ahead by breaking the tie to take the lead as the period closed against a very tired but proud Tornadoes team (which played the game without the assistance of four of our players and a goalie playing his first game ever in between the pipes).

**Summary** - Ultimately, the KVHA Tornados lost to a strong Everett Kodiaks team in tournament play on Friday. The Everett Kodiaks defeated the Tornados by a final score of 3 to 2. Goalie Kyle Klem(#16) had a solid performance saving 9 out of 12 shots for a 75% save rate in the net for his first game ever as a goalie with only three practices under his belt. Spectacular job, Kyle!

The Tornados did an amazing job against one of the top teams in our league while we were missing four players from our roster and fielding only four defensemen throughout the tournament. Despite our limited roster and new goaltender, the first half of that game was the best team hockey the Tornados have played all year thus far. Had any number of near misses gone in throughout that game, including 3 shots that hit the posts, the outcome would have been very different! At the end of the game, Maxwell Mudge(#15) was awarded MVP of the game. Hopefully as the tournament play goes on, we will see continued improvement in the Tornados skills. Next up, the Tornados face a Canadian team at O'dark-hundred (7:10am) for their second tournament game at Kingsgate. Good luck, Tornados!

## **Tournament Game #2: KVHA Tornados (2) vs. Coquitlam Chiefs C4 (2)**

During this Thanksgiving holiday weekend, the KVHA Tornados were hoping to have one more thing to be thankful for, as they faced their first of 3 match-ups against Canadian teams on this action-packed day. At O'dark-hundred (7:10am) on Saturday, November 24th, the KVHA Tornados went up against the Coquitlam Chiefs (C4) in tournament play at Kingsgate but the match-play didn't go as they expected. Instead of getting a "W", the Tornados faced a physically massive and an extremely inspired team who travel quite a distance to compete. The Tornados displayed great spirit and focus in winning many of the one-on-one battles for the puck, even against players twice their size throughout the entire game. With relentless attacks and physically powerful players, both teams struggled to take the upper-hand and snag the win, resulting in an eventual tie.

**Period 1** - The KVHA Tornados went toe-to-toe during the 1st period against a strong Coquitlam Chiefs team. Both goalies had their work cut out for them trying to fend off multiple shots to the net. In the end, the strong exchange between both teams was evident as neither team scored during the period. It was exciting to witness such a great exchange between two competitive teams! Great performance by both teams!

**Period 2** - As the 2nd period opened, the Chiefs had a difficult time fighting for possession of the puck and the Tornados took advantage. Consequently, the Tornados were first to find the net and put a score on the board with a quick goal by Steven Rosenquist(#5), with an assist by Steven Bautista(#11).

**Period 3** - The fervent battle for the puck continued well into the 3rd period. Unfortunately, the Tornados let up their defense a bit and allowed the Chiefs to score 2 successive goals and take the lead. Undeterred with this deficit, the Tornados collected themselves and got to work. The Tornados truly looked like a team in the last few minutes of the game when they tightened up their defense and began passing the puck around again, leading to a tying goal which was very hard-fought. With only a few minutes left on clock and just before the period closed, Caleb Chaloner(#6) scored a quick shot with an assist by Steven Rosenquist(#5) to tie the game. Great offensive shot Caleb! The Tornados kept the puck in Coquitlam's zone for nearly three straight minutes to get that goal and very nearly got the game winner in the last 30 seconds by continuing to pass the puck and cycle around their net.

**Summary** - Even with the few goals scored by the Tornados, they regrettably couldn't take the win on the ice and had to settle for the tie. In the end, the KVHA Tornados played a resilient Canadian team in tournament play on Saturday that resulted in a tie game with a final score of 2 to 2. At the end of the game, Rickey Campbell(#12) was awarded MVP of the game. A lot can be said about the positive growth and developmental maturity seen in the Tornado players so far this season. Hopefully their next tournament game later in the day at Kingsgate will provide a different outcome! Good luck, Tornados!

### **Tournament Game #3: KVHA Tornados (3) vs. Port Moody Titans (3)**

The pressure was "on" as the KVHA Tornados readied to take on the Canadian Port Moody Titans for their second game of the day Saturday, November 24th at Kingsgate. With 3 games already under their belt, the Tornados were eager to get the "W"! That motivation was the key as the Tornados churned it up and rallied with a relentless attack. Unfortunately, it wasn't enough as that elusive win was just barely out of reach, only to end in the second tie game of the day. Great teamwork, Tornados!

**Period 1** - In hopes that being the home team would be an advantage, the Tornados took to the ice with a fierce competitiveness and intensity that was almost palatable. Yet, it was clear that the Tornados thin bench from missing players was beginning to take an obvious toll right away, as our players showed signs of fatigue (after having gotten up at 5AM to play the largest squirt team ever seen in Coquitlam), and Port Moody's skill level and large physical size immediately hindered our boys from getting out of the gates as fast as usual. Port Moody Titans struck first against the Tornados with the early goal at 12:16 of the first period. Only minutes later would they repeat for their second goal. However, the Tornados found their legs once again and finally got back into their usual flow by the very end of the first period when Steven Bautista(#11) scored with an assist by Steven Rosenquist(#5), to bring the Tornados to a 1-goal deficit as the period closed, raising the spirits of a tired Tornados team on the bench.

**Period 2** - As the 2nd period opened, the Tornados wouldn't let the one goal deficit deter them and quickly got back to work with Sean Smith(#14) scoring a short-handed goal, with an assist by Steven Rosenquist(#5), to tie the game once again. The struggle continued for possession of the puck. While the Tornados showed their strong wills to succeed, they were unable to get a robust enough rally going against the Port Moody Titans team to take the lead before the end of the period.

**Period 3** - The electrifying battle continued well into the 3rd period as the Tornados collected themselves to counter an attack. Unfortunately, the Titans would have none of it and took advantage of a power-play opportunity to regain the lead once more. After a heated battle for possession continued and with only minutes left in the period,, the Tornados would not go down without a strong fight. With an assist by Steven Bautista(#11), Steven Rosenquist(#5) would score the Tornados' final goal to close out the period and tie the game one final time. Outstanding teamwork, boys!

**Summary** - In the end, the exciting outcome of this tournament game wasn't decided until the last buzzer sounded. In fact, the score was tied twice during the game! It was pure grit and determination that saw the Tornados through the last period of the game as all the boys were exhausted but proud to have found a way to earn a tie against a very skilled and physically large Canadian team by a final score of 3 to 3. The Titans fired 18 shots on the

Tornadoes goal while the Tornadoes put an equally impressive 17 shots on the Titans' net. Tornadoes goalie Kyle Klem(#16) stopped 15 of 18 Titans' shots - a respectable 83% save rate. At the end of the game, Michael Geddes(#7) was awarded MVP of the game. Congratulations to both teams on a very exciting and entertaining game! Hopefully their next tournament game later in the evening at Kingsgate against the North Delta (C2) Outlaws will give them that elusive "win" and put them on a great path of success! Good luck, Tornadoes!

#### **Tournament Game #4: KVHA Tornadoes (3) vs. North Delta C2 Outlaws (5)**

The KVHA Tornado caravan rolled into town about sunset for their third and final tournament match of the day against the North Delta (C2) Outlaws from Canada. In the final game of what was in essence a 15-hour day of hockey with precious little true rest available to them, the Tornadoes boys were on their very last ounce of energy by the time this was game started, and playing three very good Canadian teams in one day made the daunting task even tougher. Prepared for the 6:50 draw, the Outlaws took advantage of the ice on Saturday and showed no mercy by outscoring the Tornadoes with an unrelenting assault to take the eventual win. However, this game ultimately came down to exhaustion being the factor that tipped the scales in North Delta's favor.

**Period 1** - The impassioned battle for the puck began right as the whistle blew and the first puck was dropped. The Outlaws took more than a second shot at the Tornadoes after scoring two successive goals within just minutes on the clock. Undaunted by the 2-goal deficit, the Tornadoes would get one back when at 9:40 on the clock, Luke Pizzey(#9) would score with an assist by Steven Bautista(#11). The back and forth scoring and impressive playmaking was exhilarating to say the least. While the Outlaws would score one more time, the Tornadoes responded with a sensational shot made by Sean Smith(#14) and assisted by Luke Pizzey(#9) as the period closed.

**Period 2** - The Tornadoes had a difficult time fighting for possession of the puck and the Outlaws took advantage as the 2nd period got underway. Consequently, the Outlaws quickly extended their lead with one more goal. The Tornadoes' strong defensive skills were put to the test as this would be the only goal scored in the period. Great team work boys!

**Period 3** - As the final period opened, the Tornadoes wouldn't let the goal deficit distract them and quickly collected themselves when Sean Smith(#14) would score with an assist by Rickey Campbell(#12), to bring the game to a 1-goal difference. With hopes of getting back to a tie and initiating a comeback, they got back to work but the struggle for possession of the puck was just too intense. Unfortunately, the Outlaws came out ahead and netted another goal as the period closed.

**Summary** - While the Tornadoes and Kyle Klem felt the burn of aching muscles and heavy breathing, they ALL fought hard to the bitter end again, as a TEAM, and still somehow nearly found a way to emerge victorious against an extremely tough team from our northern neighbor, keeping within one goal all the way up to the final minutes when Steven Rosenquist(#5) hit the crossbar on a beautiful shot that would have been the equalizer. Even with the few goals scored by the Tornadoes, they regrettably lost the tough battle on the ice. The Squirts struggled to collect themselves and were only able to gather enough wind power to throw a few twisters at the Outlaws - and that didn't blow the bandits away at all. The Outlaws dominated the ice scoring beating the Tornadoes 5 to 3. Tornadoes goalie Kyle Klem stood up to the Outlaws' assault stopping 8 of 13 shots. In the end, the KVHA Tornadoes lost to a resilient Canadian team in tournament play on Saturday. At the end of the game, Tyler Sherwood(#2) was awarded MVP of the game.

A lot can be said about the positive growth and developmental maturity seen in the Tornado players so far this season. One of the best lessons and moral victories of this tournament is that it proved our boys have the heart and team spirit to fight through the difficulties of missing players and goaltenders, the most grueling scheduling possible, and the toughest of opponents in four straight games to be within just a few shots in any given game of going to the championship match. The fact that our boys could barely walk and keep their eyes open as they left the rink 15 hours and three games after their day began on Saturday, yet STILL left with a smile on their faces tells their parents it was all worth it as they

accomplished a lot as a TEAM and had fun doing it! Hopefully, they'll get back in the groove at their NPSHL game against the Tacoma Rockets next Saturday at the Tacoma Rockets and it will provide a different outcome! Good luck, Tornados!

## ***PeeWee "B" Selects Win 2 Lose 2 in Exhibition Play at Spokane***

**Eagles Ice Arena, Spokane, WA. November 25, 2012** – Kent Valley's PeeWee "B" Selects participated in four exhibition games with the Spokane Jr. Chiefs PeeWee "A" and PeeWee "B" teams in Spokane over the weekend. The Selects defeated the Spokane PeeWee "B" team in back-to-back games on Saturday, both by the score of 5 to 2.

The Selects played the Spokane PeeWee "A" team on Friday and Sunday. The PeeWee "A's" turned out to be a bit stronger than the "B's." Spokane won both games 7 to 2 and 7 to 3.

Below are the individual scoring summaries for the four games:

Danny Smith – 6 goals, 2 assists = 8 points  
Jack Hanscom – 3 goals, 1 assist = 4 points  
Connor Wilson – 2 goals, 2 assists = 4 points

place in the PNAHA League with a record of 2-1-1. Kent Valley is right behind them in second place with a record of 1-0-1. Go Selects!

## ***Kent Valley Midget Tier-II Selects Unable to Catch Boise Steelheads***

**Kent Valley Ice Centre, Kent, WA. November 24, 2012** – The Steelheads were running on Saturday and the Kent Valley Midget Tier-II Selects were unable to catch them. The Boise Steelheads topped the Selects 8 to 4. The Selects came a little closer on Sunday as they held Boise to two goals.

Boise sent an early message in Saturday's game as they scored 3 goals in one minute and thirteen seconds early in the opening period. Mason Stewart scored an unassisted goal at the tail end of the Boise scoring streak. Stewart's goal provided some encouragement for the Selects bench. Tyler Jennings scored on a power play opportunity early in the second period. Jennings was assisted by Brandon Endres. Anton Nikitin scored 13 seconds later off an assist from Jesse Howland. Johnny Scherer scored Kent Valley's fourth goal midway through the third period. Scherer was assisted by Howland and Stewart.

Boise outshot Kent Valley 42 to 19. Kent Valley's Colby Bennett stopped 34 of 42 shots on goal for 81%. Boise's Kendel Askew stopped 15 of 19 shots on goal for 79%. Bennet's team lost the game 8 to 4, but Bennet won the goaltending battle.

Sunday's game was a much different outcome as the Kent Valley Selects held the Steelheads to two goals while getting one of their own. Brandon Endres scored Kent Valley's only goal at 10:43 of the second period. Endres was assisted by Nolan Fritts & Max Doner. Boise won the game 2 to 1.

If I had to pick a star of this two-game series, my vote would go to the Steelheads' Cory McClintick. McClintick scored a Hat Trick and one assist in Saturday's game. He scored a one of Boise's two goals on Sunday. Given a second star, it would go to Kent Valley's Colby Bennett. Bennett faced 76 shots over the two games for an average save rate of 87%. He's almost bullet proof.

Below are the scoring summaries for both games:

## **Quote of the Day!**

### **The True Meaning of Winning the Cup:**

*"You work so hard and put your body through so much that when you finally do win it, there is just no better feeling in hockey. I mean, that is what everyone who plays this game strives for. I was pretty fortunate to have been able to have raised it on three separate occasions. It was such a thrill to do it each time too, that never got old - believe me."*
