## ***Here's the story on why there are so few stories in this week's edition of the KVHA News.***

### **From the Editor's Desk,**

**Kent Valley Ice Centre, Kent, WA. December 16, 2015** – The most recent edition of the KVHA News was published on or about November 19th, 2015. Since then your editor has been collecting score sheets and working on them as time permitted. Many things have competed for your editor's time over the past few weeks. First, there was the Thanksgiving holiday and a road trip to visit family in Southwest Washington. Then, a four-day 52nd wedding anniversary trip to the Oregon Coast, home repairs following a wind storm, numerous hockey games and other conflicts. Consequently, the stack of score sheets got so high that writing a story for each in any reasonable amount of time became an insurmountable task. So, this week we're going with just headlines and scores.

Tomorrow, I'll start work on the new stack of score sheets. Thank you for your patience.
