

KVHA News – Tournaments Highlight KVHA’s Thanksgiving Holiday Weekend

Kent Valley Ice Centre, Kent, WA. December 5, 2013 – The Thanksgiving holiday provides a break from NPSHL and PNAHA League competition for KVHA’s teams. However, it opens up the opportunity for teams to participate in any number of tournaments throughout the great Pacific Northwest.

The Portland Jr. Hawks Hockey Association hosted the 6th Annual 2013 Harvest Cup Tournament. Kent Valley’s Mite Lightning and Tornados along with the Squirt Tornados and PeeWee Tier-II Selects traveled to Oregon for the 3-day tournament. Competition was held

at a number of ice rinks around the Portland metropolitan area. Among them was the Winterhawks Skating Center, Sherwood Ice Rink and Mountain View Ice Rink (Vancouver).

The Kent Valley PeeWee Tornados traveled to Bremerton to participate in the 9th Annual Battle for the Sound hockey tournament for PeeWee “C” teams. The West Sound Minor Hockey web site indicates that 16 teams from around the Pacific Northwest participated in the tournament. Meanwhile, back at home, our Kent Valley Midget Tornados played an exhibition game at ShoWare Center.

Congratulations to the Portland Jr. Hawks and West Sound Hockey Associations for extending the tradition of these great holiday tournaments. Well done!

Imagine the tournament possibilities of a second sheet of ice at Kent Valley Ice Centre and the ice at ShoWare Center could provide for KVHA to host these kinds of events. For now, we can only dream. But, one day, it will happen. I can’t wait..

An Addition to the Van Mechelen Team

Former Kent Valley Hockey Coach (2010/2012) and player (2003/2005), Isaac Van Mechelen and his wife Natalie are the proud parents of newborn boy. Tiberius John Van Mechelen was born November 8, 2013. Isaac, Natalie and Ty live in the San Francisco Bay area. Isaac is employed with CalidusCloud, a software firm in Pleasanton, California. KVHA sends congratulations to Isaac and Natalie.

Portland Jr. Winterhawks' 6th Annual Harvest Cup Tournament Delights Mite Lightning and Tornadoes

Story contributed by Ryan Reese-Beltrand & Matt Wagner

Winterhawks Skating Center, Portland, OR. November 30, 2013 – It was a joy to see Kent Valley so well represented by both the Mite Lightning and Mite Tornadoes in Portland over Thanksgiving weekend. Watching the Lightning from the stands I found myself saying "nice pass" on more than one occasion per game. Easton Wagner had an amazing run in net, but by no means was there a lack of superb defensive play, notably by Jaden Sano. The offense also poured in some amazing shots, though there was a little problem with puck luck. There seemed to be more than a few good looking shots that hit posts or the side of the net.

On the Tornado side of things Boston Reese-Beltrand did earn a shutout, but both Wyatt Halasz and Matthew Blackmon were whiskers away from shutouts of their own. The Tornadoes all did an excellent job of not only putting shots on net, but crashing the net and putting home the rebounds. Dylan Berger, Nick Cyr and Erik Jung were relentless in the scoring category, but also had key assists which contributed to every single Tornado scoring at least one goal.

The Lightning went 3-2-4 all weekend. One of the wins came with a little more than 30 seconds to go, the Eugene team was putting on the pressure, Easton Wagner made 3 huge saves, Vince Terry took the puck down to the Eugene end of the ice, passed it over to Brayden Lee and he scored with just about 2 seconds left on the clock to go ahead 3-2. In all 9 games, the entire team played hard and also played as a team. Easton stood on his head for all 9 games making some unbelievable saves.

Coaches are extremely proud of the great progress all of the Kent Valley Mite players have made so far this season, and I don't see that letting up any time soon. Go Mites!

Kent Valley Squirt Tornadoes Face Tough Competition at 6th Annual Harvest Cup Tournament

Winterhawks Skating Center, Portland, OR. December 12, 2013 – The toughest game of the weekend for the Kent Valley's Squirt Tornadoes was game 2 against a local team, the Seattle Jr. Squirt Blades. The Blades are tied for fourth place in NPSHL standings while the Tornadoes are currently ranked eleventh. The Blades romped over the Tornadoes 12 to 0 in game two of the tournament.

The Tornadoes played two Portland teams, Dynamite and Whiteout. Dynamite won game one 7 to 1 and Whiteout won game three 9 to 1. The Tornadoes best game of the tournament was an 11 to 1 victory over the Eugene Jr. Generals in game 4.

Connor Kirby recorded a Hat Trick in game 4. Kirby scored 1 goal in the first period and back to back goals one minute apart in the second period. G'bari Mayers, Luke Pizzey and Caleb Chaloner each scored 2 goals. Kent Valley was awarded a penalty shot in the second period but the score sheet did not reflect the time of the penalty or whether or not the penalty shot succeeded. Kent Valley PeeWee Tornadoes go 2 and 2 at Bremerton's "Battle for the Sound" Tournament

Story contributed by Ellen Shelden

Bremerton Ice Center, Bremerton, WA. December 1, 2013 – The Kent Valley PeeWee Tornadoes participated in the 9th Annual "Battle for the Sound" in Bremerton. Below is a game by game account of their weekend adventure.

Game 1: Kent Valley PeeWee Tornadoes (4) vs. Vancouver PeeWee C3 Cobras

Coach Jeff Ferguson took his KVHA Tornadoes team on a holiday road trip to compete in a field of sixteen teams this weekend at the "Battle for the Sound" Tournament in Bremerton. That field included nine Canadian teams and would be their first tournament game of the season. During this Thanksgiving holiday weekend, the KVHA Tornadoes were hoping to have one more thing to be thankful for, as they faced the Vancouver C3 Cobras, their first of 3 match-ups against Canadian teams. And thankful they were as the team captured their first win by an impressive score of 4-1! Go Team!

Period 1 – The 1st period was highlighted with a zealous battle for possession. Throughout the period, it was evident that the players were working well together getting into position and vying for the puck. The Tornadoes took the early lead with their first goal from Lane Eriks(#19), who scored a short-handed goal through the goalie's legs from a mid-ice shot near the blue line. Way to go, Lane! Fortunately, the Tornadoes would sustain this lead as the buzzer sounded the end of the period.

Period 2 – In the 2nd period, both teams had a difficult time fighting for possession of the puck. The Tornado players showed great progressive growth with their strong defensive skills and puck handling. However, the Cobras caught a break and scored a goal on a breakaway shot to tie the game at one goal a piece.

Period 3 – The passionate battle for possession came to a culminating end in the 3rd period. Just as the period started, the Tornadoes would score their first goal when Rickey Campbell(#4) would net a sweet breakaway shot to once again give the Tornadoes the lead. But the Tornadoes weren't done yet! Two more goals would be scored just minutes apart: the first by Maxwell Mudge(#15), assisted by Steven Rosenquist(#5) & Sean Smith(#14); the second by Alex Britten(#3). Way to get the rally going, boys!

Summary – Ultimately, the KVHA Tornadoes won a great one to get things started against a strong Vancouver Cobras team in tournament play on Friday by a final score of 4 to 1. Goalie Tyler Roberts(#35) had a solid performance saving 10 out of 11 shots for a 91% save rate in the net. Spectacular job, Tyler! At the end of the game, Sean Smith(#14) was awarded MVP of the game. Hopefully as the tournament play goes on, we will see continued improvement in the Tornadoes skills. Next up, the Tornadoes face another Canadian team for their second tournament game. Good luck, Tornadoes!

| MVP = #14 Sean Smith | | | |

Game 2: Kent Valley PeeWee Tornadoes (2) vs. Semiahmoo Coyotes C6 (3)

On this action-packed day, the Tornadoes' first opponent was another team from North of the border. As dawn broke on Saturday, November 30th, the KVHA Tornadoes went up against a HUGE Semiahmoo C6 Coyotes team in tournament play but the match-play didn't go as they expected. Instead of getting a "W", the Tornadoes faced a physically massive and an extremely inspired team who travel quite a distance to compete. The Tornadoes displayed great spirit and focus in winning many of the one-on-one battles for the puck, even against players twice their size throughout the entire game. With relentless attacks and physically powerful players, the Canadian team composed of mostly 7th-graders eventually got the upper-hand to snag the win, resulting in a 3-2 final score. Ferguson and his team sadly came away with their first loss of the season and of the holiday weekend tournament after a persistent attack by the Semiahmoo C6 Coyotes. Even with the loss, it is evident that the weekly practices continue to help the Tornadoes improve their defensive skills and positional play.

Period 1 – The KVHA Tornadoes went toe-to-toe during the 1st period against a strong Semiahmoo Coyotes team. Both goalies had their work cut out for them trying to fend off multiple shots to the net. In the end, the strong exchange between both teams was evident as neither team scored during the period. It was exciting to witness such a great exchange between two competitive teams! Great performance by both teams!

Period 2 - As the 2nd period opened, the Tornadoes had a difficult time fighting for possession of the puck and the Coyotes took advantage. Consequently, the Coyotes were

first to find the net and put a score on the board. However, that just proved to be a motivating factor for the Tornados! After fighting some more over the puck, the Tornados would find an opportunity to get on the scoreboard with a quick, unassisted goal by Rickey Campbell(#4). Great shot, Rickey! The Tornados regrouped to keep the momentum going, where in a déjà vu moment, Rickey Campbell(#4) would score again – his second of the night – just before the close of the period to take the lead going into the final period. Go Tornados!

Period 3 - The fervent battle for the puck continued well into the 3rd period. Unfortunately, the Tornados let up their defense a bit and allowed the Coyotes back in the game where they would score to tie up the game. While the Tornados tried to collect themselves, they just couldn't muster enough of a rally against the tough Semiahmoo Coyotes team to regain the lead. Consequently, the Coyotes caught one last break in the late minutes of the period and sadly came out ahead by breaking the tie to take the lead as the period closed against a very young but proud Tornados team.

Summary – In the end, the exciting outcome of this tournament game wasn't decided until the last buzzer sounded. Even with the few goals scored by the Tornados, it wasn't enough and they regrettably couldn't take the win on the ice. Sadly, the KVHA Tornados played a resilient Canadian team in tournament play on Saturday that resulted in a loss with a final score of 3 to 2. Despite the loss, this game was the best team hockey the Tornados have played all year thus far. At the end of the game, Rickey Campbell(#4) was awarded MVP of the game. A lot can be said about the positive growth and developmental maturity seen in the Tornado players so far this season. Hopefully their next tournament game later in the day will provide a different outcome! Good luck, Tornados!

| MVP = #4 Rickey Campbell | | | |

Game 3: Kent Valley PeeWee Tornados (4) vs. Seattle Jr. PeeWee Blades (0)

The pressure was "on" as the KVHA Tornados readied to take on the SJHA Blades for their second game of the day Saturday, November 30th. With 2 games already under their belt, the Tornados were eager to get another "W"! That motivation was the key as the Tornados churned it up and rallied with a relentless attack to snap the shutout win! Great teamwork, Tornados!

Period 1 – In hopes that being the home team would be an advantage, the Tornados took to the ice with a fierce competitiveness and intensity that was almost palatable. The Tornados struck first against the Blades with the early goal at 6:40 of the first period by Alex Britten(#3), assisted by Drew Sherwood(#11). That would seal the deal as the

Tornadoes would keep this lead as the period closed, raising the spirits of an inspired Tornadoes team on the bench.

Period 2 – As the 2nd period opened, the struggle continued for possession of the puck. Both teams had a difficult time gaining the upper-hand despite several shots to the net. In the end, the intense exchange between these two competitive teams was apparent as neither team scored during the period. Great offensive and defensive performances by both teams!

Period 3 – The electrifying battle continued well into the 3rd period as the Tornadoes quickly got back to work with Lane Eriks(#19), scoring a short-handed goal, to extend the lead once again in the game. After a heated battle for possession continued, the Tornadoes would not let up their relentless attack and kicked it into high-gear to finish the period. With an assist by Tyler Sherwood(#2), Alex Britten(#3) would net a spectacular shot to further their lead. Yet only 22 seconds later, Steven Rosenquist(#5) would score the Tornadoes’ final goal to close out the period, assisted by Jake Ferguson(#8). Outstanding teamwork, boys!

Summary – It was pure grit and determination that saw the Tornadoes come back from their previous loss to win in style with a shutout victory against the SJHA Blades by a final score of 4 to 0. The Blades fired 7 shots on the Tornadoes goal while the Tornadoes put an impressive 26 shots on the Blades’ net. Tornadoes goalie Tyler Roberts(#35) stopped all of the Blades’ shots to earn yet another shutout! At the end of the game, Alex Britten(#3) was awarded MVP of the game. Congratulations to both teams on a very exciting and entertaining game! Hopefully their next tournament game against another Canadian Semiahmoo team will give them that elusive “win” and put them on a great path of success! Good luck, Tornadoes!

Game 4: Kent Valley PeeWee Tornadoes (0) vs. Semiahmoo Lightning C3 (2)

The KVHA Tornado caravan rolled into town about noon for their fourth and final tournament match against the Semiahmoo C3 Lightning from Canada. In the final game, the Tornadoes boys fought hard but were not prepared for the HUGE Lightning team who took advantage of the ice on Sunday and showed no mercy by outscoring the Tornadoes with an unrelenting assault to take the eventual win by a final score of 2-0.

Period 1 – The impassioned battle for the puck began right as the whistle blew and the first puck was dropped. The Lightning took more than a second shot at the Tornadoes but were thankfully unable to net one throughout the period. While the Tornadoes showed their strong wills to succeed, they too were unable to get a robust enough rally going against the Semiahmoo Lightning team to take the lead before the end of the period, resulting in a scoreless tie game.

Period 2 – The second period started off like the first: fast and tough. It was a vicious storm as the Tornados tried to blow the Lightning off the ice - but both goalies endured the storm and did a tremendous job to fend off numerous shots to the net. To that end, the game would remain in a scoreless tie.

Period 3 – As the final period opened, the Tornados wouldn't let the scoreless game distract them and quickly collected themselves to get a rally going. Unfortunately, the Tornados drew a crosschecking call at 10:23, resulting in a power-play goal by the Lightning.

With hopes of getting back to a tie and initiating a comeback, they got back to work but the struggle for possession of the puck was just too intense. Unfortunately, the Lightning would have none of it and came out ahead by netting another goal as the period closed.

Summary - Despite 2 power-play opportunities for the Tornados, they were unable to convert against our northern neighbor and regrettably lost the tough battle on the ice by a final score of 2-0. Yet throughout the contest, they ALL fought hard to the bitter end as a TEAM, and still somehow nearly found a way to emerge victorious against an extremely tough and very BIG Canadian team. Tornados goalie Tyler Roberts(#35) stood up to the Lightning's assault stopping 10 of 12 shots - a respectable 83% save rate. Because of this valiant effort, he was awarded MVP of the game. All in all, they accomplished a lot as a TEAM and had fun doing it! Hopefully, they'll get back in the groove at their NPSHL game against the Sno-King White in two weeks and it will provide a different outcome! Good luck, Tornados!

Quote of the Day!

Celebrating with Stanley:

"On my day with the Cup I took it back to my family farm where I'd grown up – in Simcoe, Ontario – where I spent the morning with my family. I will never forget the moment when the Cup Keeper showed up and took the Cup out of its case and set it down in the living room. What surreal moment. I just sat there staring at it, thinking about all the early morning practices and about all the things that my mom and dad sacrificed over the years so that I could pursue my passion. So to be able to share that moment with my family was extremely important and meaningful to me. After that we put the Cup on display in town and let everybody enjoy it."
