

# ***KVHA Weekend Scores and Call for Volunteers as Auction Night Approaches***

Kent, WA January 14, 2008 – As everyone knows our Kent Valley Hockey Association centers around a large number of generous volunteers. Our coaches, assistant coaches, team managers, score keepers, time keepers, penalty box operators, learn-to-play instructors, jersey washers, team fundraising coordinators, and others (and I'm sure I've missed someone) are all volunteers. It would stagger the imagination to count the hours volunteers invest in our growing hockey program. Such is the case with our KVHA Annual Fundraising Auction event. A small team of volunteers is currently collecting and documenting auction items, printing the auction catalog, working with the auctioneer, grouping the auction items into silent auction vs. live auction groups and planning for how they will be displayed at the auction. This small team, and I emphasize small, desperately needs your help. On the morning of February 2<sup>nd</sup> we could use your help in transporting the auction items, many of them fragile and delicate, from Kent Valley Ice Centre to the Muckleshoot Casino in Auburn. We'll also need help in the early afternoon at the Casino banquet center to set up the auction items on the various tables and in displays throughout the banquet room. We'll need more volunteers to handle the registration tables as the auction begins. We'll need additional volunteers to work the checkout tables as the auction winds down. We need help removing unsold auction items and props from the banquet room after the auction ends and even more help transporting those things back to Kent Valley Ice Centre for storage for next year's auction. Please give us a helping hand. Don't be shy! We need your help. It's Hockey for Everybody! That's what it's all about. Please send an e-mail to [Auction@KentValleyHockey.com](mailto:Auction@KentValleyHockey.com) and let us know how you might be able to help us on February 2<sup>nd</sup>. Oh yes! Help us sell some tickets. They're only \$30 each this year. Contact us today. Thanks!

Below are the game summaries from the past weekend. I'm missing some score sheets, so all of the games aren't noted here. Sorry about that. Enjoy!

## ***KVHA Mite Hurricanes 2 – Kitsap Outlaws 2***

Tacoma, WA January 12, 2008 – The Kent Valley Mite Hurricanes are in 7<sup>th</sup> place in NPSHL league standings after this weekend's tie with the Kitsap Outlaws. The Outlaws are currently in 9<sup>th</sup> place in league play. The Hurricanes' Camden Ward and Conner Pitlick scored the only Hurricane goals during the game, but the player of the game has to be the Hurricanes' goalie Seth Barnett for stopping 15 of 17 Outlaw shots on goal. Barnett saw most of the game's activity up front and close in front of his own goal. However, his teammates only needed to fire 6 shots on the Kitsap net to get the tie.

The game scoring summary is below:

<b>Team</b>	<b>Period</b>	<b>Time</b>	<b>Scoring</b>

Spokane won both Saturday games by the same score, 3 to 2. Since Spokane scorekeepers don't record shots on goal, there are no goalkeeper stats to report. Just before it was all over, Zac Cadiente fired a beautiful, short-handed goal from the blue line with just two minutes left and then scored again with just a minute on the board giving the Tornadoes hope they could pull off the tie.
