

PNAHA State "B" Tournament is up Next for Kent Valley Hockey Association

Kent, WA March 6, 2008 – The State Tier-1 Tournament is behind us. Many thanks to Rena Sullivan for filling in as Tournament Coordinator and to all the many volunteers who helped make our first PNAHA State Tournament a great success. Next up is the PNAHA State "B" Tournament running Friday March 7th through Sunday March 9th. Here again, we're counting on volunteers to support the tournament games. Lots of positions are still open. We need scorekeepers, time clock operators, penalty box operators, and 50/50 raffle sales coordinators. Your help would be greatly appreciated.

Readers are no doubt aware that our last posting of weekend game summaries and scores was February 9th. A lot has taken place at Kent Valley Hockey Association over these past few weeks that disrupted our normal flow of activities. First, Mark Bryan, Hockey Director, left KVHA to pursue other interests. Mark's duties were distributed amongst the remaining KVHA staff. As you know, Mark was responsible for a large number of KVHA projects and programs, some of which required immediate attention. As a result, other activities were set aside for later, the weekly game summaries among them. Second, the PNAHA Tier-1 tournament was set for Kent Valley Ice Centre the weekend of February 22nd, 23rd & 24th. Mark's tournament responsibilities were aptly filled by Rena Sullivan and other KVHA staff. Together, they were able to pull off a great tournament. Third, there was no rest for the troops as the State "B" Tournament was coming right on the heels of the first one, and there was much to do in preparation for that much larger event. Finally, the flu bug took its toll. So, that's why you haven't seen any game summaries since the February 9th edition. My sincere apologies to those of you who faithfully submitted your stories but failed to see them in print. Let's play catch-up. Below are the game summaries from the past several weekends. Enjoy!

Mite Lightning

February 8th Makeup Game Played March 1st

Kent, WA March 1, 2008 – The postponed February 8th Mite NPSHL League game between our KVHA Mite Lightning and SnoKing Mite "C" Blue finally got played at Kent Valley Ice Centre on Saturday March 1st. The SnoKing Mite "C" Blue team tallied nine unanswered goals during the makeup game to punish the Mite Lightning for being out of town on February 8th. The Lightning apologized by handing the Blues a shut-out. They even sweetened the deal with cinnamon rolls and soft drinks following the game. Game over!

Mite Hurricanes

Mite Hurricanes End the Season with a Loss

Tacoma, WA February 22, 2008 – The Puget Sound Tomahawks 3 – KV Hurricanes 2. The Hurricanes have looked forward to games against the Tomahawks all season long. The teams are pretty evenly matched so the games are always exciting. The Hurricanes were also looking forward to seeing Elliot again. Their new friend who joined the Hurricanes last weekend at the Ice Cup in Eugene. This was the last game of the season for the Hurricanes it was disappointing to end with a loss with only :41 seconds left but the boys should be proud of the great growth in their skills – many of them have come a long way since the beginning of the season. Great season guys – see you next year!! Here's the recap:

Mite Hurricanes take 2nd Place in Ice Cup Tournament in Eugene, OR

Eugene, OR February 18, 2008 – Wow, the Hurricanes have come a long way and they keep showing us that their hard work and determination are starting to pay off. They were rewarded with taking 2nd place in the Ice Cup tournament in the Mite division.

We would like to thank Elliot Grahn and his family. Elliot plays with the Puget Sound Hockey League in Tacoma. He joined the Hurricanes team for the tournament. His big sister was playing in the Ice Cup and his parents wanted to keep him busy. The Coach checked with the Hurricanes and they said SURE and then asked "Is he any good"? Elliot didn't disappoint us. He was a great addition with only 1 team practice under his belt. THANKS ELLIOT!!

GAME 1: Tri-City Flames - This was a great match up with a tied game until a third goal was scored with only 24 seconds left on the clock in the 3rd period. The Flames pulled ahead for a final score of Flames 3 – Hurricanes 2. That was a tough loss, here's the game recap. MVP for the game Seth Barnett – he had an outstanding game in goal! Wow, the constant hustle on Nolan Schaper was noticeable. He had his stick in on most plays out on the ice.

GAME 3: Cascade Mighty Mites - This was a very young team and our team knew it. Once they racked up a few goals the sportsmanship the 2nd year Hurricanes players showed made all of us proud. When they could have taken the shot on goal they instead passed to their teammates (1st year players) with the hope they could feel the magic of a goal. Some of our first year players Caed Kim and Matthew Butson experienced their first assists and first visits to the penalty box!! Justin Pitzer never stopped. He covered so much ice offensively and defensively – way to hustle Justin!! MVP for the game was Jon Langmack. We stopped keeping score by the 3rd period but this is what was recorded - Hurricanes 12 – Cascade Mighty Mites 0

GAME 4: Championship Game – Eugene Jr. Generals - The Hurricanes were pretty nervous about playing in this game. The championship was on the line. The Hurricanes visited the penalty box **A LOT** during this game. Although the score doesn't reflect it – the Hurricanes never gave up until the final whistle blew. # 13 and # 9 on the Generals were incredible to watch-very talented players!! They both stuffed many goals into our net. MVP for the game was Conner Pitlick. He had a great tournament. As you will see our information is incomplete on this game – the score sheet was illegible. We filled in what we could make out. Generals 10 – Hurricanes 3. *(Story by Kristine Langmack)*

Kent, WA February 24, 2008 – With goals from Noah Persson, Sage Hege and Dawson Myers in Sunday's game against Wenatchee, all the Selects, with the exception of goalie Austin Phelps of course, have scored league goals this season! Noah's goal was a career first. Dawson's and Sage's goals were their first goals this season. For both of the games against Wenatchee, the coach was able to try out different lines, and kids were able to play different positions, switching sides, or from front to back and vice versa.

PeeWee Tier-II & Tier-I

Coffee Spill Highlights Tier-II vs. Tier-I Exhibition

Kent, WA February 10, 2008 – The PeeWee Tier-II Selects took on the PeeWee Tier-I selects in exhibition play at Kent Valley Ice Centre on Sunday. For me, the highlight of the game was a coffee spill in the third period. Actually, from my view in the home penalty box it was more of a coffee explosion than a spill. The diminutive Michael Julin (Tier-II) checked a Tier-I player into the boards in front of the scorer's bench where a cup of coffee was resting atop the dasher board inside the glass. Julin's jolt shook the glass and the boards, and the coffee cup exploded its contents into the air. Scorekeeper John Bragg jumped up to catch the flying coffee cup as timer Kip Julin dodged to the left to avoid the descending liquid, both actions were without success. Actually the score sheet took the bulk of the spill. No one enjoyed the exploding coffee more than Lauren, Michael Julin's sister, running the music box to the right of Bragg and father Kip. I haven't heard that much laughter in a long time. Other than that it was an fairly uneventful but well played game. The Tier-I Selects defeated the Tier-II Selects by a score of 6 to 2. The Tier-II fired a total of 14 shots on the Tier-I net with 2 of them finding their mark. The Tier-I fired 39 shots on the Tier-II net with 6 of them finding the back of the net. There were 3 Tier-II penalties and 6 Tier-I penalties recorded on the coffee saturated score sheet. A scoring summary is below:

Team	Period	Time	Comments
Tier-I	1	2:41	Brock Weidl from Hayden Jensen
Tier-II	1	6:48	Harrison Bragg from Chad Haywood

Bantam Tornadoes

Bantam Tornadoes Shut-Out Everett in Playoffs

Kent, WA March 2, 2008 – Kent's Bantam Tornadoes shut-out the Everett Silvertips Black 2-0 in their first game of the NPSHL Playoffs Sunday in Kent. The Tornadoes entered the playoffs in second place giving them a bye on Saturday. Kent played Sunday with all ten of their uninjured skaters. Halfway through the first period, Zac Cadiente was able to score off of a pass from Zach Bloss. The score remained 1-0 as the teams battled it out defensively throughout a scoreless second with most of the action in front of Everett's goalie. The third period became a battle of the penalties as both Kent and Everett had power plays, were short-handed, or playing 4-on-4. Finally, Everett pulled their goalie and Zac Cadiente assisted by Blake Walsh shot an empty-net goal to finish the game 2-0. Congratulations to Tornadoes' goalie Troy Turpin who got the shut-out. *(Story by Sheri Walsh)*

Bantam Tornadoes Finish Regular Season with Short-Handed Win

Lynnwood, WA February 23, 2008 – KVHA's Bantam Tornadoes wrapped-up their regular season with a 3-2 win over the Seattle Junior Spartans in Lynnwood Saturday night, and

they did it in typical Tornado style: with only eight skaters! Once again, the Tornadoes bench was short due to injuries and that meant some forwards skating defense and a lot of long shifts. The Spartans were the first on the scoreboard with a power play goal. But, it wasn't long before Zac Cadiente evened the score with an assist by Brady Anderson who eventually went on to earn a "Playmaker". The second period was a battle of the defenses as both sides kept the shots on goal to a minimum and no one was able to score at all. Finally in the third, the Spartans were back on top, but not for long. Zac Cadiente skated in with seven minutes left in the game and scored off of assists from Kyle Miller-Smith and Brady Anderson. Just two minutes later, Kyle Miller-Smith and Brady Anderson were on hand to assist Brendan Laik who put the Tornadoes on top 3-2 with his game-winning goal. Despite the Spartans pulling their goalie, the Tornadoes and goalie Josh Severeid did a great job defending their lead to seal the win. *(Story by Sheri Walsh)*

Team	Period	Time	Scoring
SJHA	1	5:19	Ramstead from Williams
KVHA	1	:24	Zac Cadiente from Brady Anderson
SJHA	3	11:17	Ramstead from Absher

Frustrating Loss for Bantam Tornadoes

Lynnwood, WA February 16, 2008 -- The KVHA Bantam Tornadoes skated into Lynnwood Saturday sitting atop the NPSHL standings and slipped after a disappointing loss to the Seattle Junior Blades. Kent and the Blades battled it out defensively for most of the first period, but the Blades managed to score twice by the first buzzer. The Tornadoes held the Blades to only two shots on goal in the second period, but were blocked offensively when a goal of their own was not allowed. Three minutes before the end of the game, Blake Walsh skated in and scored off of assists from Brady Anderson and Zac Cadiente. The Tornadoes tried desperately for the tie to retain their standing in league play, but the clock ran out and Kent had to settle for a 2-1 loss. *(Story by Sheri Walsh)*

Team	Period	Time	Scoring
SJHA	1	9:40	Finne from Heideger

Midget "B" Spartans

Spartans Face Spokane's Second Midget "B" Team

Spokane, WA March 2, 2008 – The Kent Valley Midget "B" Spartans traveled to Spokane Saturday to face the second of Spokane's Midget "B" teams. The trip was to make up two league games that were cancelled in February when Snoqualmie pass was closed. The Kellogg Midgets (Kellogg is the coach) won Saturday's game by a score of 5 to 2 and Sunday's game 5 to 0.

Spartans Get Early Look at PNAHA Challenger

Kent, WA February 17, 2008 – The second of Spokane's pair of Midget "B" teams paid the Kent Valley Midget "B" Spartans a visit over the weekend. The Baker Midgets (Baker is the coach) gave the Spartans an early look at what they'll face in the PNAHA State "B" Tournament early in March. Saturday's game was high scoring both in terms of goals and penalties. Spokane won 11 to 4. The Spartans took 10 penalties for a total of 39 minutes, including one major, a 10 minute misconduct and a game misconduct. Ouch! The Baker Midgets had 8 penalties for 16 minutes. The Spartans put 23 shots on the Spokane net

while Spokane peppered the Spartans net with 32 shots. Spartan Goals were scored by (1) Tyler Dunn from David Carey, (2) Taylor Birkeland unassisted, (3) Steven Meginnes from Justin Sellers and (4) David Carey from Thomas Carey.

Sunday's game ended with the same point spread as Saturday's game, seven goals. Spokane won 7 to 0. Coach Bob Sellers' Midgets played the game short four players, two injuries, one conflict and the other serving a game misconduct from the prior game. Spokane got high honors in the penalty box taking 11 penalties for 22 minutes while the Spartans suffered to the whistle only 8 times, much improved from the prior game. Again the Spartans were weak on shots on goal getting only one shot in the first period and four in each of the other periods. Spokane cranked up the volume with 51 shots on goal.
